

TOWN OF ALLENSTOWN

ANNUAL TOWN AND SCHOOL REPORTS 2015

ALLENSTOWN
NEW HAMPSHIRE
MERRIMACK, SS.

Annual Reports

The Town of Allenstown, New Hampshire for the Fiscal Year Ending:

December 31, 2015

**ALLENSTOWN NH HISTORICAL SOCIETY
PO BOX 94
ALLENSTOWN, NH 03275**

**1925 REO SPEEDWAGON
ALLENSTOWN'S FIRST SCHOOL BUS**

The story of the 1925 Reo Speedwagon had a very innocent beginning.

On June 2, 2015 Tim Scannell of Concord, NH told Armand Verville, president, Allenstown Historical Society, that his grandfather Tom Hayes owned and operated a 1925 REO Speedwagon purchased new in August 1925 from Dudley Brothers Motors in Concord for an estimated \$1,575.00. He contracted with the Allenstown School District for \$100.00 per month to transport pupils from East Allenstown to the Allenstown grammar school (now Town Hall) in the village from September 1925 through 1941. His step-son Timothy O. Scannell (uncle to Tim above) drove for the 1940 and 1941 school years.

The REO stayed in Allenstown at the Scannell farm on Deerfield Road until the 1970's when Uncle Tim moved to Exeter. Tim and his wife partially restored it. Uncle Tim Scannell died in 1984 and left the REO to his twin daughters Mary and Kelly in Baltimore, MD. The vehicle was taken to Baltimore by trailer and stored in a rented garage. Very few visits were made to the garage for the next 30 years.

We have daily journals from Tom Hayes which identify this REO as his along with daily activities which state that he "carried the children". In July 2015 Tim gave us photos of the REO loaded with family members and he said he thought it still exist. I asked if he could get me current photos, instead he gave me his Cousin Mary's contact info and suggested that I call her. On August 5th I spoke to Mary and she said they still own it but have decided to sell it. I told her I only want a current photo for our archives. She agreed to take photos for me. She then asked if the Allenstown NH Historical Society would be interested in purchasing the vehicle. I explained that we do not have that kind of money so photos will have to do. I then asked if they may consider donating it to AHS that we are a 501(c) (3) non-profit organization and their gift would be tax deductible. On August 28th Mary told me they decided to donate it to AHS. On August 30th she and Kelly took photos and dimensions that I could bring to the next AHS meeting. At the September 2nd meeting, the members authorized me (Armand Verville) to accept the donation and to transport it back home. On September 25th and 26th myself & Claudette Verville and Eric Halvorson traveled to Baltimore with a borrowed truck and trailer, accepted the donation and transported it back to Allenstown.

At their October 19, 2015 meeting the Board of Selectmen authorized the Allenstown Historical Society to build a display/garage in front of Town Hall at the expense of AHS - not taxpayer dollars. On January 7, 2016 Armand drove the REO Speedwagon the mile and a half to Town Hall and it is now on display.

We hope the children of Allenstown and surrounding communities learn what things were like some 90 years ago, and some of our seniors may just remember seeing the REO on one of its journeys.

Respectfully submitted,

Armand E. Verville, President
Allenstown Historical Society

2015 DEDICATION

DANA CLEMENT

After having served as the Superintendent for the past twenty three years Dana Clement has retired. Dana began his tenure at the Allenstown Wastewater Treatment Facility in 1992 and retired November 1, 2015.

Dana got his start and became a pioneer in the wastewater industry after the Clean Water Act was signed into law in 1972. He began his career at the Hooksett, NH Wastewater Treatment Facility in 1977. He left the wastewater industry in 1984, and started his own construction business. When the housing market collapsed in 1990 he returned to the wastewater industry at the Lowell Regional Water and Wastewater Utilities. The Superintendent position opened in Allenstown in 1992, and Dana settled in for the remainder of his career.

Dana achieved many accomplishments for the Sewer Department in Allenstown. Dana has kept the treatment facility up to date with the ever changing technological advancements in the industry. Dana oversaw the installation of several programmable logic controllers at the facility, and wrote the code to computerize the aged infrastructure from the 1970's. He also oversaw the first municipal installation of the Bio-Mag treatment process in the country. The Bio-Mag treatment process is a technological advancement in the industry that will lead to increased capacity at the Allenstown Wastewater Treatment Facility.

Dana is now a snowbird spending his summers in New Hampshire and winters in Florida. He is now working on improving his golf game.

**TOWN OF ALLENSTOWN
STATE OF NEW HAMPSHIRE
MINUTES OF DELIBERATIVE SESSION ON 1/31/15**

TO THE INHABITANTS OF THE TOWN OF ALLENSTOWN, IN THE COUNTY OF MERRIMACK,
STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the St. John the Baptist Parish Hall, 10 School St. Allenstown, N.H. on Saturday, January 31, 2015 at 9:00 a.m. (or, in the event of inclement weather, on Wednesday, February 4, 2014 at 6 p.m.) for the purpose of transacting all business other than voting by official ballot and thereafter to meet on Tuesday, March 10, 2015 between 8:00 a.m. and 7:00 p.m. at the St. John the Baptist Parish Hall, located at 10 School Street in Allenstown N.H., to elect officers, vote on Zoning articles and to vote on all warrant articles from the first session by official ballot.

The meeting was called to order on Saturday, January 31, 2015 at 9:45 a.m. by Moderator Dennis Fowler. There were 71 registered voters in attendance.

The Moderator introduced the Town Officials and the Budget Committee, all sitting at the front table.

The Moderator discussed the basic rules for the meeting, and stated he would entertain only one amendment at a time. He reserved the right to ask that an amendment be put in writing.

ARTICLE 1

To choose all necessary Town Officers for the ensuing year as follows:

Town Clerk, for a term of three (3) years;
Town Treasurer, for a term of one (1) year;
Select Board Member, for a term of three (3) years;
Sewer Commissioner, for a term of three (3) years;
Trustee of Trust Funds, for a term of three (3) years;
Library Trustee, for a term of three (3) years;
Trustee of Cemeteries Fund, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of one (1) year;

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 2

Are you in favor of the adoption of Amendment No. 1 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend the definition of “Apartment or Apartment House” as follows (text underlined is to be added, text struck through is to be removed) and renumber the Article accordingly:

Apartment or Apartment House - Any dwelling unit for rent, including but not limited to a room, suite of rooms, enclosed porch, addition, or above garage space with one or more rooms for the use of one or more persons as a housekeeping unit with space for eating, living, and sleeping and containing permanent provisions for cooking or sanitation. This definition replaces and supersedes any other definition of “Apartment” or “Apartment House” contained anywhere in these ordinances.

The Planning Board recommends this Article.

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 3

Are you in favor of the adoption of Amendment No. 2 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To add the following new definition for Apartment Building and renumber the Article accordingly:

Apartment Building - Any building or portion thereof which contains three or more Apartments dwelling units. This definition supersedes any definition of “Apartment House” contained anywhere in these ordinances.

The Planning Board recommends this Article.

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 4

Are you in favor of the adoption of Amendment No. 3 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To add a twenty (20) foot front setback to the Business Zone in Article VIII?

The Planning Board recommends this Article.

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 5

Are you in favor of the adoption of Amendment No. 4 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To add a twenty (20) foot front setback to the Industrial Zone in Article IX?

The Planning Board recommends this Article.

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 6

Are you in favor of the adoption of Amendment No. 5 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article VI, Section 602.J to require a two-hundred foot (200') setback from roads or property lines from the parent tract for any structure in a cluster housing development.

The Planning Board recommends this Article.

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 7

Are you in favor of the adoption of Amendment No. 6 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XI, Supplemental Regulations, by deleting Section 1118.a which prohibits the conversion of any existing manufacturing housing park to condominium use. The proposed change would result in compliance with NH law RSA 356:B.5.

The Planning Board recommends this Article.

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 8

Are you in favor of the adoption of Amendment No. 7 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows: The proposed changes are in an effort to comply with federal storm water requirements.

To amend Article XXIV, Groundwater Protection Overlay District, to revise certain performance standards and to revise certain best management practices including certain revisions to the Spill Prevention, Control and Countermeasure Plan requirements.

To amend Article XXV, permanent (Post-Construction) Stormwater Management Ordinance to establish and revise certain best management practices and performance standards including certain revisions to the erosion control requirements, certain groundcover and vegetation requirements, prohibitions from “tying into” storm sewers, and add new Section IV.A to require a Stormwater Pollution Prevention Plan (SWPPP) for commercial and town maintenance garages, public works yards, transfer stations, recycling centers any other waste handling facilities where pollutants are (or are proposed to be) exposed to runoff and not covered by a site-level EPA stormwater permit.

The Planning Board recommends this Article.

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 9

Are you in favor of the adoption of Amendment No. 8 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To Repeal the Mobile Home Building Permit Ordinance.

To repeal the Mobile Home Ordinance and the Regulation of the Installation of Mobile Homes Including Mobile Home Parks.

To amend Section 7 of the Allenstown Building Code Ordinance to specify that the manufacturing and installation of all Manufactured Homes must comply with all applicable state and federal requirements.

To repeal a definition for Manufactured Housing as follows: Manufactured Housing: A factory-built, single-family structure, which is manufactured or constructed under authority of 42 U.S.C. Sec. 5403, Federal Manufactured Home Construction and Safety Standards, and is to be

used as a place for human habitation, but which is not constructed with a permanent hitch or other device allowing it to be moved other than for the purpose of moving to a permanent site and which does not have permanently attached to its body or frame any wheels or axles. A mobile home is not a manufactured home unless it has been converted to real property (i.e. affixed to a cellar/basement) and is taxed as a site-built dwelling. For the purpose of this Ordinance, a manufactured home shall be considered the same as any site-built, single-family detached dwelling.

To add a definition for Manufactured Home as follows: Manufactured Home: A structure, designed to be a dwelling unit with or without a permanent foundation, that is transportable in one or more sections which in the traveling mode is eight feet wide or more in width or 40 feet or more in length or, when erected, is 320 or more square feet in area, and which is built on a permanent chassis.

To add a definition of Manufactured Home Site.

To add a definition of Presite Built Housing.

To repeal the definition of Manufactured Housing and Housing Park.

To establish that Manufactured Home Parks are permitted within a new Manufactured Home Park Overlay District within the Open Space and Farming Zone by Conditional Use Permit by the Planning Board.

To repeal the existing Article XVII Manufactured Housing and replace with the proposed Article XVII Presite Built Housing and Manufactured Homes. The new Article will, among other things: authorize single presite built homes or manufactured homes wherever single family homes are permitted, allow clusters of presite built homes; authorize the Planning Board the authority to grant Conditional Use Permits for manufactured home parks; establish criteria upon which the Planning Board shall grant a Conditional Use Permit for manufactured home parks; require 2 acres per unit for manufactured home park density calculation purposes; establish setbacks for each house lot; and, require a minimum of a fifteen (15) acre parcel.

To establish a new Manufactured Home Park Overlay District within the Open Space and Farming District and whose boundaries shall consist of the following lots legally existing as of April 1, 2011 and as depicted on the March 10, 2015 Official Zoning Map of the Town of Allenstown, and a map created by the Central New Hampshire Regional Planning Commission entitled Allenstown Manufactured Home Park Overlay District and dated March 10, 2015. Overlay district lots include Maps and Lots: 407-12; 407-8; 407-9-1; 407-9-2; 407-26; 407-9-3; 407-25; 407-10; 407-11; 407-30; 407-31; 407-23; 407-024; 407-32; 409-30; 409-31; 409-32-1; 409-33; 409-32; 407-34; 109-21; 109-22; 109-23; 109-24; 108-1; 108-2; 410-28; 107-1; 107-2; 410-29; 107-3; 107-4; 410-33; 107-5; 107-6; 107-7; 410-31; 410-32; 107-8; 107-9; 410-30;

411-5; 411-2; 411-3; 411-4, and any future lots created as a result of the subdivision or merger of any of these lots.

The Planning Board recommends this Article.

ARTICLE 10

Are you in favor of the adoption of Amendment No. 9 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Section 1 of the Allenstown Building Code Ordinance to eliminate the reference to RSA 156:1 and replace it with RSA 155-A.

The Planning Board recommends this Article

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 11

Are you in favor of the adoption of Amendment No. 10 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Section 801 of Article VIII to allow Kindergartens as a permitted use.

To amend Section 801 of Article VIII to allow Group Child Care Centers (more than 6 children) as a permitted use.

The Planning Board recommends this Article

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 12

Are you in favor of the adoption of Amendment No. 11 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Section 1113.3 of Article XI to state that all commercial developments (excluding single family homes and duplexes) on parcels in all zones are permitted to and encourage to share access and/or parking whenever feasible. Additionally, though frontage may be counted

on one street, access to another street via the lot containing the shared access/parking is permissible.

The Planning Board recommends this Article

This Article will be taken care of on Tuesday, March 10, 2015.

ARTICLE 13 Sewer Bond

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town will vote to raise and appropriate the sum of \$30,000 (gross budget) to defray the cost of planning relative to public facilities through the previously established Asset Management Plan development project for the Town of Allenstown Wastewater Collection and Treatment System; and,

to authorize the issuance of not more than thirty thousand dollars (\$30,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and, further, to authorize the Selectboard to issue and negotiate such bonds or notes and to determine the conditions and the rate of interest thereon; and,

to further authorize the Selectboard to offset a portion of said appropriation by applying for, Clean Water State Revolving Funds (CWSRF), it being understood that repayment of the loan funds will include up to 50% forgiveness of the loan principal in the amount up to \$30,000.

A condition of the approval of this article being that repayment of any remaining loan balance to be paid by sewer funds; and, further, that the Allenstown Sewer Commission shall pay any outstanding remaining balance and applicable interest in full from said sewer funds on or before the date that the first payment of the loan related to the CWSRF funding is due; and,

to authorize the Selectmen and Sewer Commissioners to take all other action necessary to carry out and complete this project. (3/5 ballot vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

Dana Clement stated the purpose of this Article was to allow us to take advantage of a program that the DES

made available to obtain up to \$30,000 in grant funding to reimburse us for the cost of maintaining an Asset Management Plan. Scott Bellerose inquired whether it was really free money, or whether the funds come from taxpayers. Dana provided a complex, lengthy explanation of the process and stated the funds do not come from taxes. He stated they have been working on the required Asset Management Plan program for two years now.

ARTICLE 14 Town Operating Budget

Shall the Town of Allenstown raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$3,847,352**. Should this article be defeated, the default budget shall be **\$3,933,407**, which is the same as last year, with certain adjustments required by previous action of the Town of Allenstown or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operations budget only. Passage of this article has an estimated tax rate impact of approximately \$0.28 cents per thousand dollars of assessed value.

NOTE: This warrant article (operating budget) does not include appropriations in ANY other warrant article.

Recommended by the Board of Selectmen

Recommended by the Budget Committee

Jeff Gryval stated that unlike last year, the Sewer Commission budget is a separate budget from the Town budget. He stated that the proposed budget is approximately \$86,000 less than the default budget. He reviewed some of the line items. The legal fee line item is increased by \$30,000 this year from the \$20,000 amount last year. He said \$50,000 represents a true estimate. He pointed out an increase of \$16,000 in the Parks and Recreation line, due to the new Boys and Girls Club, partly for the use of Seniors. The Ambulance line increase was kept to a minimum of \$2,000. He said the increase is much smaller than recent years, and they worked hard to keep the increase small. He said a Committee looked into reducing the health insurance costs and pass some additional health insurance costs to employees.

He pointed out the large decrease in the Waste Disposal line item due to Casella Trash taking over collection instead of the Town. Also the Fire Department 's budget was decreased. There was a general discussion on the estimated increase in revenues.

There was a discussion that it was not definite that the new Boys and Girls Club would be used for the Seniors, and that it would depend on the funding coming in. The location is on Whitten Street.

Larry Anderson discussed that he wanted to increase the Cemeteries line item to allow all of the trustees to attend four meetings a year. A general discussion ensued as to what minimum amount would be needed. Also

ARTICLE 16 Highway Garage Capital Reserve Fund

mentioned was that even if it was suggested to use the amount for the Cemeteries line, that there was no requirement to use the additional funds for the Cemeteries.

A Motion was made by Larry Anderson and seconded by Gerry McKenney to increase the Cemeteries line by \$260, increasing the bottom line to \$3,847,612. Voted and defeated.

ARTICLE 15 Sewer Operating Budget

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) Shall the Town of Allenstown raise and appropriate as an operating budget for the Allenstown Sewer Commission, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$2,070,024**, said sum to come from sewer rents. Should this article be defeated, the default budget shall be **\$2,080,591**, also to come from sewer rents, which is the same as last year, with certain adjustments required by previous action of the Town of Allenstown or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operations budget only.

NOTE: This warrant article (operating budget) does not include appropriations in ANY other warrant article.

Recommended by the Board of Selectmen

Recommended by the Budget Committee

Dana Clement stated that this was not funded by taxes, and was funded by user fees. There was a general discussion on the sewer rent collection system and the three separate budgets.

ARTICLE 16 Highway Garage Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of \$80,000 to be added to the Highway Garage Capital Reserve Fund previously established. This sum to come from unreserved fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

There was a lengthy general discussion with regard to the Capital Reserve Funds. Shaun Mulholland explained

that these funds were set up to save for future expenses and projects, and avoid borrowing money when there is a shortfall for unplanned expenses or larger projects. He explained this money was in the bank and, if approved, could be transferred to the respective Capital Reserve Funds.

Sandra McKenney asked whether the total of \$160,000 for Articles 16, 17 and 18 would come out of the \$467,000 balance of Unassigned funds. The response was affirmative. When asked about the current balances in the Town accounts, it was stated that there was approximately \$1,000,000 in an investment account and \$900,000 in a general fund. It was explained that this was not extra money, and that the funds will be used up to pay upcoming expenses.

There was a general discussion about the disrepair of the Town Garage and maybe forming a Building Committee to begin to plan for a new building.

Barbara Chaput inquired whether the Town accounts were interest bearing. Larry Anderson stated that TD Bank Wealth Management was handling the Town accounts. He stated the Board decided to go with stock options wherein the Town actually owns shares of stock.

There was an inquiry as to what the balance was in the Highway Garage Capital Reserve Fund, and the response was \$93,672.

ARTICLE 17 Landfill Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of \$20,000 to be added to the Landfill Capital Reserve Fund previously established. This sum to come from unreserved fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

There was a general discussion on the purpose of the Landfill Capital Reserve Fund, and funds were needed to plan for future needs.

ARTICLE 18 Fire Safety Equipment Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of \$60,000 to be added to the Fire Safety Equipment Capital Reserve Fund previously established. This sum to come from the unreserved fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

There was a discussion that the air pack systems would all need to be replaced in 2016. They need to be replaced every four years, and they are expensive, but necessary. It is recommended that we start saving for this large expense now so that we will have the cash on hand. The Town will also seek grants at that time. Tiffany Ranfos asked how many packs there were and the total cost. The response was 27 units for a total of approximately \$200,000. The cost increase every year.

ARTICLE 19 Solid Waste Vehicle Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the town will vote to discontinue the Solid Waste Vehicle Capital Reserve Fund created in 2013. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

Jeff Gryval stated that the Solid Waste Vehicle Capital Reserve Fund was no longer needed, since Casella now is in charge of trash removal.

ARTICLE 20 Highway Equipment Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of \$20,000 to be added to the Highway Equipment Capital Reserve Fund previously established. This sum to come from unreserved fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

Jeff Gryval stated that if Article 20 is approved, \$20,000 will be moved to the Highway Equipment Capital Reserve Fund. He stated this will not increase taxes. Shaun Mulholland stated that if Article 19 does not pass, the funds will remain in the Solid Waste Vehicle Capital Reserve Fund. He stated if Article 20 then passes, the funds will be transferred from the \$467,000 of the Unassigned Fund Balance.

ARTICLE 21

Cemetery Facilities Capital Reserve Fund

To see if the Town of Allenstown will vote to establish a Cemetery Facilities Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of acquiring land and the construction of cemetery facilities and to raise and appropriate the sum of \$15,000 to be placed in this fund. Further, to name the Board of Selectmen as agents to expend from said fund. Estimated tax rate impact of \$0.06 cents per thousand dollars of valuation. (Majority Vote Required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

Larry Anderson discussed that by statute towns are required to have a facility for burials. He said there was a 1.8 acre piece of land the Town acquired that may be available for this purpose. However, there would be many expenses, including surveying, map lay out, cleaning, building roads and setting up the cemetery. Jeff Gryval stated that to date the Town had no cases where it was required to bury someone. We sometimes work with St. John's. However, he confirmed the state had a statute. He said they were working on getting this old legislation changed to make it more cost effective for the Town. Tiffany Ranfos stated that the taxpayers would need concrete cost numbers, not guesstimates. Jeff Gryval stated that it would be the Board of Selectmen that decided whether to spend the \$15,000.

Joe Butts stated that the land in question had already been surveyed, and that the lot had many pine trees that could be sold. Larry Anderson stated that, as Trustee, he is trying to do the right thing, but would like to work toward an inter-municipal agreement and also try to change the current law.

Denise Frasier asked whether there was any penalty for not having a town cemetery and Shaun Mulholland stated there was no penalty. Armand Verville asked whether we could zero out the amount, and that it was premature to adopt this Article.

A Motion was made by Armand Verville to reduce the dollar amount to \$0 and change the rate impact to read \$0.00 cents. Voted and passed.

ARTICLE 22

Adoption of Provisions of RSA 41:14-a

Shall the Town of Allenstown vote to adopt the provisions of RSA 41:14-a authorizing the selectmen to have the authority to acquire or sell land, buildings, or both; provided however, that prior to such acquisition or sale, that the Select Board comply with all procedural requirements of RSA 41:14-a as it may be amended, including but not limited to Planning Board and Conservation Commission review and recommendation and public hearings. In accordance with the provisions of RSA 41:14-c, once adopted these provisions shall remain in effect until specifically rescinded by the town at any duly warned meeting.

Recommended by the Board of Selectmen

Jeff Gryval stated that this would give the Board of Selectmen authority to buy and sell land. He said they would rely on the recommendation of the Planning Board and there would be a public hearing. There are occasions they need to get easements over land, and this would give them authority to proceed. There was a lengthy general discussion on the need for this Article.

ARTICLE 23 By Petition

Shall the Town of Allenstown will vote to change the position of Town Administrator from an appointed position to an elected position. If passed, this warrant article will become effective in 2016 after the March election.

Not Recommended by the Board of Selectmen

Jeff Gryval spoke on behalf of the Board of Selectmen. He stated that the Town Administrator position is not a Town Manager position. He said that the Town Administrator has a Master's degree in government. The Town Administrator is asked to do many different things. If this position was changed to an elected position, someone could be elected because of popularity, and not because of qualifications. He noted that none of the Petitioners were present at the meeting, and stated that none of the Petitioners ever talked to the Board of Selectmen about the matter. He stated the Town Administrator is not a political position. The Board of Selectmen will issue a press release about this Petition. He stated that hiring for this position follows the usual job hire procedure, and that there is no need for a change.

The Town Attorney stated that in New Hampshire Towns can only exercise the authority they have been given, and that there is no statute to elect a Town Administrator. If this Article were to pass, it would be up to the Board of Selectmen to implement. He said there was no need to do anything.

Armand Verville stated that this Petition was very scary, and that the wrong person could be elected. He said if there was a personal issue then that should be dealt with through the Board of Selectmen. He said that everyone present should tell their friends and neighbors not to pass this Article.

Donna Ong stated that the Town was in many ways very lucky to have the current Town Administrator. Jeff Gryval stated he stands by the process. He stated that 33 people signed the Petition, and that if anyone has any concerns they should speak to the Board of Selectmen.

There was a round of applause for the Town Administrator and the hard work done by the Board of Selectmen.

A Motion was made by Armand Verville and seconded by Judy Silva to recess the meeting to Tuesday, March 10, 2015. Voted and passed. Meeting Adjourned at 11:40 a.m.

No 70

ARTICLE 9

Are you in favor of the adoption of Amendment No. 8 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To Repeal the Mobile Home Building Permit Ordinance.

To repeal the Mobile Home Ordinance and the Regulation of the Installation of Mobile Homes Including Mobile Home Parks.

To amend Section 7 of the Allenstown Building Code Ordinance to specify that the manufacturing and installation of all Manufactured Homes must comply with all applicable state and federal requirements.

To repeal a definition for Manufactured Housing as follows: Manufactured Housing: A factory-built, single-family structure, which is manufactured or constructed under authority of 42 U.S.C. Sec. 5403, Federal Manufactured Home Construction and Safety Standards, and is to be used as a place for human habitation, but which is not constructed with a permanent hitch or other device allowing it to be moved other than for the purpose of moving to a permanent site and which does not have permanently attached to its body or frame any wheels or axles. A mobile home is not a manufactured home unless it has been converted to real property (i.e. affixed to a cellar/basement) and is taxed as a site-built dwelling. For the purpose of this Ordinance, a manufactured home shall be considered the same as any site-built, single-family detached dwelling.

To add a definition for Manufactured Home as follows: Manufactured Home: A structure, designed to be a dwelling unit with or without a permanent foundation, that is transportable in one or more sections which in the traveling mode is eight feet wide or more in width or 40 feet or more in length or, when erected, is 320 or more square feet in area, and which is built on a permanent chassis.

To add a definition of Manufactured Home Site.

To add a definition of Presite Built Housing.

To repeal the definition of Manufactured Housing and Housing Park.

To establish that Manufactured Home Parks are permitted within a new Manufactured Home

other things: authorize single presite built homes or manufactured homes wherever single family homes are permitted, allow clusters of presite built homes; authorize the Planning Board the authority to grant Conditional Use Permits for manufactured home parks; establish criteria upon which the Planning Board shall grant a Conditional Use Permit for manufactured home parks; require 2 acres per unit for manufactured home park density calculation purposes; establish setbacks for each house lot; and, require a minimum of a fifteen (15) acre parcel.

To establish a new Manufactured Home Park Overlay District within the Open Space and Farming District and whose boundaries shall consist of the following lots legally existing as of April 1, 2011 and as depicted on the March 10, 2015 Official Zoning Map of the Town of Allenstown, and a map created by the Central New Hampshire Regional Planning Commission entitled Allenstown Manufactured Home Park Overlay District and dated March 10, 2015.

Overlay district lots include Maps and Lots: 407-12; 407-8; 407-9-1; 407-9-2; 407-26; 407-9-3; 407-25; 407-10; 407-11; 407-30; 407-31; 407-23; 407-024; 407-32; 409-30; 409-31; 409-32-1; 409-33; 409-32; 407-34; 109-21; 109-22; 109-23; 109-24; 108-1; 108-2; 410-28; 107-1; 107-2; 410-29; 107-3; 107-4; 410-33; 107-5; 107-6; 107-7; 410-31; 410-32; 107-8; 107-9; 410-30; 411-5; 411-2; 411-3; 411-4, and any future lots created as a result of the subdivision or merger of any of these lots.

2015 Town Administrator Report

This year was a very productive year for the Town of Allenstown. Several major projects are underway or completed and several new initiatives are in the beginning phases. The major projects are as follows:

1. **Community Center Project-** the Town expanded the public-private partnership with the Boys & Girls Club to include the Belknap-Merrimack Community Action Program (CAP). CAP operates the senior center. The Town received two Community Development Block Grants, \$1 Million in total along with tax credits and donations to construct a \$2.3 Million community center. The community center will house the Boys & Girls Club as well as the senior center. The construction at the Whitten Street Park is underway with an anticipated completion date of June 1st, 2016.
2. **Streetlight Conversion Project-** the Town converted 173 streetlights to LED lights. This project was completed in November. The conversion is projected to reduce our electric costs by at least 40%.
3. **Hazard Mitigation Plan Update-** the Town completed the update of the Hazard Mitigation Plan and added a specific plan to address issues on the Suncook River. This update was paid for with grant funds.
4. **Accounting Software Project-** the Town purchased software to replace the aging BMSI program. The new Infinite Visions program provides significant enhancements and compliance capability compared to the previous software.

Several initiatives were begun in 2015 which will develop further in 2016. The initiatives are as follows:

1. **Downtown Area Charrette-** the Town is in the process of apply for assistance from PLAN NH to develop a plan for the future development/re-development of the downtown area to include the China Mill. The development of a plan will aid in the process of obtaining funding for economic development as well as housing re-development in our downtown core area.
2. **Emergency Operations Plan Update-** the Town received a grant in 2015 to update the EOP from the NH Dept. of Safety. This project will be completed by the end of 2016.
3. **Budget Management Plan-** The Board of Selectmen developed a budget for 2016 with the intent of managing spending to closely mirror the increase in growth of the economy. The proposed 2016 Budget is in line with the increase in the Consumer Price Index. The goal of the Board was to limit the increases in spending, in this case just less than 1%. Controlling spending to mirror the CPI will present challenges in the future. Operational costs continue to increase at levels higher than the CPI. There are a number of capital projects which will still need to be addressed which are not covered in the operating budget. Replacement of roadway infrastructure as well as repair or replacement of buildings are issues which remain to be addressed.
4. **Strategic Planning-** Some of the departments have chosen to develop strategic plans for their department or function. The Town Hall has initiated this process for the various functions which are operated out of it. The goal in the future is to have participation of all

of the departments which would allow for strategic planning for the Town as a whole. The lack of a Town wide strategic plan for its many functions is an identified weakness. Strategic planning aids in setting service levels and budget priorities.

5. **Employee Survey-** The Town completed a comprehensive employee survey to assess employee satisfaction in the workplace. The survey also allowed for an opportunity to obtain feedback from employees to improve the workplace and improve the efficiency of service delivery.

I wish to thank all of the department heads, officials and volunteers who are critical to the ability of the Town to provide services to its citizens. Teamwork and cooperation is what allows us to provide the services which our citizens expect from local government.

smulholland@allenstownnh.gov

2015 Emergency Management Director Report

The Town did not suffer any federally declared disasters in 2015 fortunately. This was the first year we did not have an emergency management training exercise. Federal grant funds were not available for these purposes this year that we were eligible for.

The Hazard Mitigation Committee completed the update of the Hazard Mitigation Plan with an enhanced Suncook River plan contained within it. The plan was just approved by FEMA and State Emergency Management in December. The plan will be used to implement measures to reduce the hazards the community faces from natural and manmade disasters.

The goals for 2016 are to maintain a high state of readiness by all of our departments to respond to disasters. The availability of grant funding for exercises has been restricted considerably. The ability to maintain our state of readiness will become more challenging over the next several years as the availability of funding becomes scarce. We did receive an Emergency Management Performance Grant in the amount of \$4,000 which will be used to update the Emergency Operations Plan which was last updated in 2011.

Residents are encouraged to visit the Town website, the Emergency Management webpage where information can be found to assist residents to prepare for and respond to disasters. Residents should consider developing their own disaster response plans and building a disaster response kit. The information to do this can be found on that webpage. The better our residents are prepared to survive disasters will limit the impact of those disasters on our community.

We are in need of volunteers to assist with shelter management and emergency management disaster response. If you are interested in volunteering please contact me directly.

2015 Finance Report

The Finance Director is responsible for the financial management of the town. Currently the Town of Allenstown does not have long term debt and maintains a high range of unreserved fund balance.

As Finance Director, I have taken on several projects to streamline the financial analysis of the town accounts.

- Payroll- We converted to Checkmate this year for payroll processing. This has been a tremendous savings in payroll processing costs. We use an electronic timesheet that converts to the payroll system. This has been a time saver for payroll processing. Employees have everything available to them online. They have access to all timesheets as well as paystubs, and W-2s. We have eliminated paper that needs to be distributed.
- Accounting Software Conversion- In 2015, the Town of Allenstown did an RFP for Accounting Software. We have converted to Tyler, Infinite Vision which is a windows based program compared to BMSI which was DOS based. This program will allow the following:
 - a. Budget forecasting- This will assist in the budgeting process when trying to determine larger projects.
 - b. Budgets will be prepared in the system by Department Heads. We will no longer export into Excel and transfer data back and forth. This will eliminate the chance for formula errors.
 - c. Invoicing- We now can create invoices in the system and know what is still outstanding. We invoice for Police Details, Intergovernmental Invoices and Grant Projects.
 - d. Grant Tracking- This will allow tracking of all cost associated with grants. Currently we have the Community Center Grant Project, this will allow the tracking of the different grants and the expenditures, soft match and donations.
 - e. Fixed Assets- GASB requires the town to track fixed assets. This program will update our fixed assets as purchases are being made.
- Account Payable-During 2015, we continued to convert vendors to EFT payments and invoice emailing. Both of these features reduce turnaround time when paying invoices. This has eliminated late fees.

Finance Director

TOWN OF ALLENSTOWN

BUILDING INSPECTOR / CODE ENFORCEMENT OFFICER

1 FERRY STREET

ALLENSTOWN, NH 03275

603-485-9202

DPENDERGAST@ALLENSTOWNNH.GOV

2015 Building/ CEO Annual Report

This year the Building Department provided combined resources to better serve the code enforcement needs for the Allenstown residents. This has proven to work very well so that customers can have one stop to have questions answered.

In 2015 the Building Department added a part-time Administrative Assistant. This position is responsible for the input of all permit applications and the issuing of building, plumbing, electrical and burner permits. Dawna is also the administrative staff person to the planning and zoning boards. She did all of the mailings, agendas and postings for each board. The addition of this position last year added much needed help to the department.

The building department issued 55 building permits including 5 new residential buildings, 1 commercial building, 5 demolition permits, 70 electrical and plumbing permits. The number of permits and inspections have been consistent in the past few years.

I would like to thank the Select Board, Town Administrator and the town hall staff for their help and guidance in the past year. Residents with questions or code concerns can find me at the Fire Station. I am always available to answer any code questions that you may have.

Sincerely
Dana Pendergast
Building Inspector/ CEO

Allenstown Fire Department
1 Ferry Street – Allenstown, NH 03275
Tel 603 485-9202 – Fax 603 268-0640
dpendergast@allenstownnh.gov

Chief Dana T. Pendergast

Deputy Chief Paul St. Germain

To the Citizens of Allenstown,

I would first like to thank the dedicated members of the Allenstown Fire Department for their commitment to the residents of Allenstown. Without this committed group of Firefighters and EMS personnel we could not have provided you, our customers with the service you requested. It is with great pride that I recognize two members of the Department who have 94 combined years of service to the Town. This experience and history with the department is invaluable. Richard Courtemanche was hired on October 15, 1967 he has 48.5 years of service. Stan Bodner was hired August 1, 1970 he has 45.5 years of service to the town.

The past year, the fire department responded to 620 incidents. Of those, 176 25.8% were fire related emergencies, Carbon monoxide activations, fire alarms and mutual aid calls. The amount of mutual aid requests to our neighboring communities were up 30% over last year at 40 responses. Medical aid requests made up the majority of the emergency responses by the fire department, this past year we responded to 424 calls 67.9% slightly over the national average. This past year the Town was impacted by the heroin epidemic. The number of overdose responses are up this year. Fire personnel responded to 32 reported overdose calls, 18 of them were opioid overdoses and 15 required the use of Narcan. Our busiest day of the week throughout the year was Monday and Tuesday with 100 calls, 32.2% calls for service both days. The business hour of the day was 5:00 pm with 45 calls, 7.2% of calls occurred by 12:00 and 1:00 in the afternoon with 40 calls. Fire department personnel completed 59 trainings for a total of 764 hours

This past year the Fire department spent a lot of time and resources on equipment testing and maintenance. Rescue 1 was out of service for 4 weeks having body work and transmission work done on it. This vehicle is a 2001 EAV ambulance that does a large share of the work for us on a day to day basis R1 responds to all medical emergencies as well as all building fires. Other items tested were all of our current breathing apparatus needed to be Hydro tested per DOT specification as well as the required flow testing of each pack as required by the NFPA. Hand lines and large diameter hose were tested by a third party as well as our ground ladders and ladder truck.

The fire station security system is going to be upgraded this year. All doors will have an upgraded electronic lock system as well as strengthened hardware. We will also be adding a video security system at the perimeter of the building. This year the fire department added a part-time administrative assistant. The newly created position is split between two departments Fire and Building. This position is responsible for the day to day function of both departments. Stop in and welcome Dawna. In past years I

have spoken about the second floor of the fire station which is presently unfinished. This valuable space would add the necessary living, storage and sleeping area that is needed in the event of a long duration event. Finishing this area will also help on heat loss by adding insulation to the space.

On behalf of myself and the members of the Allenstown Fire Department it has been a pleasure serving you this past year. With your support and partnership we can provide a happy and safe community to be proud of.

Thank you,
Dana T. Pendergast
Fire Chief

Town of Allenstown
Health Officer
16 School Street
Allenstown, NH 03275
603-485-4276 ext. 115
jwelch@allenstownnh.gov

Local health officers have a critical role in effective local and regional public health planning and are responsible for enforcing applicable New Hampshire laws and administrative rules. They serve as a liaison between state officials, local elected officials, and the community on issues concerning local public health and are active participants in efforts to develop regional public health capacities.

The Allenstown Health Officer continues to serve on the Capital Area Public Health Network Advisory Board and also served as secretary of that organization's executive committee. The Capital Area Regional Public Health Network (CAPHN) is a collaborative working to enhance and improve public health and prevention-related services within the region. The CAPHN includes the municipalities of Allenstown and 23 other towns in the capital region. The Capital Area Public Health Advisory Council (PHAC) is comprised of community leaders and representatives from a diverse group of community sectors. The primary work of the Council is to set regional health priorities, provide guidance to regional public health activities, and ensure coordination of health improvement efforts. In 2015, much of the focus of this group was on developing a Community Health Improvement Plan and a strategic plan for substance misuse prevention. For more information on these efforts see CAPHN's new website which can be accessed at: www.capitalareaphn.org.

During 2015, inspections were conducted at Pine Haven and the Allenstown Elementary School. The Health Officer or Deputy Health Officer also responded to complaints involving mold in an apartment, sewage backing up in the basement of a private residence, a stagnant pool, and a report of rodents in an apartment. The issue of a failed private sewer line in the vicinity of West St. and Main St. that was reported in last year's town report was resolved at the beginning of 2015.

The Health Officer was also involved in reporting an outbreak of illness at the Armand R. Dupont School to the NH Division of Public Health Services (DPHS). The DPHS reported that this outbreak was presumed to be Norovirus.

Training activities during the year included a CAPHN Emergency Preparedness meeting, a webinar on the role of the Health Officer in a shelter, and a CAPHN forum for health officers. Both the Health Officer and the Deputy Health Officer are also members of the NH Health Officers Association.

The Health Department has a page on the town's website where articles about various health issues are posted. If anyone has suggestions for information that they would like to see posted to the website, please contact the health officer. (See below for contact information.)

This year, as in past years, the Health Officer also was responsible for overseeing the food vendors at the Pembroke Allenstown Old Home Day.

The Health Officer position is part-time. For this reason, your health-related questions or concerns may not be addressed immediately, but every effort will be made to respond to you as soon as possible. You can reach me by calling town hall at (603) 485-4276 ext. 115. There is an automated voice mail system that allows you to leave a message. A message is then sent directly to my email alerting me that I have a message. You can also email me at jwelch@allenstownnh.gov. In some instances, I may not be able to offer a direct solution but will do my best to provide you with as much information and assistance as possible.

Respectfully submitted,

Health Officer

Town of Allenstown
Highway Department
161 Granite St.
Allenstown, NH 03275
603-485-5460
rpelissier@allenstownnh.gov

ANNUAL REPORT

The winter of 2014/2015 set new records for snowfall with snow events almost every other day. The Highway Department worked diligently to keep the roads open and clear. The impending EPA storm water permit which the Town is subject to presented different challenges. We continue to map our storm water system and make efforts to come into compliance with the requirements of this permit. Initial and follow-up testing indicates two storm water outfalls with E.coli levels which are above acceptable levels. We will continue our corrective action plan into 2016 to address the issues at these two outfalls.

The Safe Routes to School Sidewalk Project on Granite St. was completed this year. The new sidewalks from Parkwood Dr. to the back side of the police station connect the Holiday Acres neighborhood with the sidewalk network to the schools. The project which was federally funded also connects our business district with our downtown area. The pedestrian traffic signals at the intersection of Granite St. and Rt. 3 provide for a safer crossing. These sidewalks will be maintained by the town all year around. While this work was being conducted the Highway Department straightened the intersection of Granite St. and Chester Tpk. Drainage work was also done at this location to include installation of 350 ft. of drainage pipe and construction of 150 ft. of drainage swale.

A section of River Rd. was re-paved from Turnpike St. to Rt. 28. A new catch basin was installed on Library St. Numerous roads were repaired by crack sealing them to extend the useful life of those sections.

The Highway Department is responsible for mowing the lawns at the police station, town hall and the fire station as well as snow plowing. The department also picks up leaves and yard waste (see schedule for 2016 pickup).

We anticipate completing three major projects in 2016. The paving of Ferry St. from Main St. to Canal St. to include new drainage pipes and some new sidewalks. The paving of River Rd. from the south end of Rt. 28 to Granite St. The reconstruction of Reynolds Ave. to include new drainage and sidewalks will be completed in 2016.

The Highway Department lost an employee in March and we would like to thank Chad Pelissier for his service and dedication to the residents. The department consists of the following personnel;

Marc Boisvert, Foreman
Don Noel, Truck Driver/Laborer
Dave Bouffard, Truck Driver/Laborer
Dave Campbell, Truck Driver/Laborer
Alan Turcotte, Transfer Station Manager

For inquiries to the Highway Department please call 485-5460. Thank you for allowing me to serve the residents of Allenstown. The Highway Dept. would like to thank the Board of Selectmen and the support provided by all of the staff at Town Hall.

Ronnie Pelissier
Road Agent

Transfer Station Hours: Tues & Thurs 7 AM to 10 AM, Sat. 8 AM to 12:30 PM

Old Allenstown Meeting House 2015 Report

The restoration now completed, the Board of Selectmen replaced the Steering Committee with the OAMH Committee, established to oversee day to day operations. There were a total of 151 volunteer hours and over 630 visitors during 2015 from as far away as Amsterdam, Australia and Thailand. School visits, Selectmen's meeting, Three New Rye Church Services, DAR - Buntin - Rumford - Webster Chapter Vesper Service, Special tours to include Havenwood Heritage Heights, the Burgin family, Desrosier, Michaud and Cadrette families, Suncook Seniors field trip.

The first wedding in 40 years was held at the Meeting House, and the annual AHS Bake Sale in July. The Old Allenstown Meeting House's 200th Anniversary was well attended.

Thank you to all our volunteers from Allenstown Historical Society, DAR Buntin Rumford Webster Chapter and our friends at SCA (Americorps).

Respectfully submitted,

Armand E. Verville, Chairman
Old Allenstown Meeting House Committee

Town of Allenstown
Planning Board
16 School Street
Allenstown, NH 03275
603-485-4276 ext. 5
PlanningBoard@allenstownnh.gov

In 2015, the Allenstown Planning Board addressed a variety of issues and worked on several projects. Applications, process streamlining and long-term planning continued to be focal points.

In terms of applications, the Planning Board processed a four-lot subdivision, a lot line adjustment, two commercial site plans, and two gravel pits. One of the site plans was an upgrade to the Allenstown Boys and Girls Club and Senior Center. This project will provide a much needed improvements for a vital community asset. The second site plan allowed for upgrades to an existing business and the two gravel pit permits were for existing operations. The lot line adjustment corrected situation where a property owner had inadvertently built upon an abutting parcel, and the four-lot subdivision created four new lots in town.

Related to applications, ensuring that the process is clear for all parties involved - applicants, abutters, and the public - means that information is available and that it is easy to access. In 2016 and beyond, it should be online in addition to at Town Hall. On the heels of what began last year, the Planning Board has continued to make sure that everything that is needed is available on the Board's website. As we begin 2016, in addition to documents being online, application process will be online as well. Payments for applications will also be received online. For abutters and the public, all submitted material will be available online, linked from the posted agenda. The intent with these changes is greater transparency and greater governmental efficiency.

With regard to the Planning Board's Regulations (Site Plan Regulations, Subdivision Regulations, and the Excavation Regulations), the Board made some minor changes pertaining to process, and a few more with regard to stormwater management. The stormwater changes are related to efforts to comply with MS4 requirements and speak to best management practices for managing stormwater.

The Board continues to build upon MS4 compliance efforts as well. Development of the plan, as and specific stormwater management plans for various town properties were the primary efforts undertaken in 2015. Finally, the Board assisted the Board of Selectmen in developing a Town Ordinance, to be considered by the Board of Selectmen, pertaining to illegal discharges. Further development of the plan, as well as other items will continue into 2016.

The Zoning Ordinance contains a few proposed changes for voters to consider at Town Meeting this year. There are a few administrative cleanup provisions and some changes related to stormwater to ensure consistency with MS4 requirements. In addition, there two new proposed articles. The first pertains to private burial sites. New Hampshire State Law allows for private burial sites and it also allows for each municipality to develop provisions for the development of private burial sites. This article seeks to establish some standards for the development of such sites within the Town of Allenstown.

The other article proposed is to allow accessory dwelling units to be placed on commercial properties. Allenstown currently allows for home occupations (i.e. home businesses) where a

business can be operated out of a home. The idea is that the home is the primary use of the property and the business is secondary. This allows for, among other things, the opportunity for someone to start a business and keep overhead costs down thus encouraging economic growth in town. The purpose of this Article is to provide a similar benefit for sites where business or commercial activities are the primary use of the property. This article would allow for a small residential unit, secondary to the business, to be permitted on the site (at the back or the second floor). In this sense it will work similar to home occupations in that it allows for the opportunity for someone to live and work on the same property, keeping costs down. The Planning Board's intent with this proposed Article is to encourage economic growth.

Finally, the Planning Board has been working on the Master Plan update. This year, drafts of the Economic Chapter, Energy Chapter, the Housing Chapter, and the Transportation Chapter have all been completed. Additionally, the data collection for the Land Use Chapter has been completed. Remaining chapters to be developed include: finishing Land Use, developing a Natural Features Chapter, a Population Chapter (driven by Census data) and a Vision Chapter (drawn from the community survey completed in 2013 and two separate community visioning sessions, one in November of 2014 and one in April of 2015). Once drafts of the chapters have been completed, the Planning Board will hold a public hearing as part of the adoption process. It is expected that the project will be completed by spring.

Moving into 2016, we hope to continue to complete our various projects mentioned above, in addition to processing the numerous applications that the Board sees in the course of a given year. We hope that 2016 will bring continued success for the Town of Allenstown and its residents.

Respectfully Submitted,

Allenstown Police Department

~ Meet the Newest Officers of our Department ~

Left to Right: Ptl. Bryan Wilcox, Serving Since 12/2013; Ptl. Brian Warburton, Serving Since 6/2014;
Ptl. Michael Bowen, Serving Since 1/2015; Ptl. Christopher Poppalardo, Serving Since 6/2015;
Ptl. Luis Moreta, Serving Since 8/2015

2015 was a very busy year for the police department. We had had three officers leave the department and then two of our new employees decided on different career options. We spent most of the year filling these vacancies. As I have said in previous reports it takes a full year from the start of the hiring process for a new patrolman to be on their own. Fortunately, we were able to hire three great new patrolmen and look forward to having them protect and serve in our Town.

This year we worked very hard with the select board and the town administrator to establish a wage scale system for the police officers. We believe with this system in place we will no longer have the retention issues we have had over the past several years. This year the select board gave the department heads a goal to reduce our budgets by five percent. In order to accomplish this, the police department had to reduce our eleven positions down to ten. Hopefully with the new pay scale in place and with the retention of the new officers, we will continue to maintain the high level of productive services that we provide to our residents.

We welcome all of our new officers. Officer Bryan Wilcox has safely returned from a year-long deployment with the U.S. Army in Dubai. We look forward to him returning to his position in February. Officer Brian Warburton brings a great attitude and life experience to the department. Officer Warburton retired from his own business to pursue his dream of becoming a police officer. He is highly motivated and has proved to be a great asset to the department. When you have an opportunity to meet him, I'm sure you will enjoy speaking with him as an Allenstown Police Officer. Officer Luis Moreta joined the department and recently graduated from the NH police academy. Officer Moreta is a graduate from Salem State College, is always eager to learn, and is smiling and happy to be here in Allenstown. Officer Mike Bowen is another new officer, who prior to becoming an officer owned his own landscaping business for over fifteen years, and continues to serve in the US Army Reserves as a Military Police Officer. Officer

Bowen has a great attitude and brings his hard working life experiences to the department.

In June we hired School Resource Officer Chris Poppalardo. Officer Poppalardo had prior experience serving as a SRO in Florida for three years while working for the Lee County Sheriff's Department. He brings a total of seven years of prior law enforcement experience to the department, most recently working as a Police Officer for the University Of Massachusetts. Our plan was to have Officer Poppalardo continue to work full-time in both the elementary school and middle school, unfortunately due to school department budget cuts the position was unfunded for the upcoming school year. Timing was everything as we were able to retain him as a patrolman due to a recent vacancy and we are very glad to have him still employed with us. Thank you to Officer Poppalardo for overseeing this year's Halloween Open House. We look forward to this yearly event as it gives us a chance to give back to the community.

Our newly hired prosecutor, Dorothy Walch, continues to do a great job and comes from seven years of prior experience with the Strafford County Attorney's Office. We look forward to her aggressiveness in the following years. We are very lucky to have a prosecutor in our department as it pays dividends in the protection of our citizens. Although you may not see it on a daily basis, as a resident the little money you spend as a taxpayer pays off in the long run. There is a tremendous amount of work that goes on behind the scenes to make sure we get convictions and restitution back to the community.

Detective Sgt. Shea has been with the Department now for just over a year. I can't tell you how important her job is. Det. Sgt. Shea maintains a huge workload especially with the ongoing narcotics issue that is impacting not only the State of New Hampshire but the Town of Allenstown as well. This year we assisted the Allenstown Fire Department and Tri-Town ambulance with 32 dispatched calls for overdoses. Fifteen of those calls resulted in Narcan being administered. Due to the bad behavior consistent with drug abuse, Detective Shea saw an influx on other cases such as domestic violence, thefts, simple assaults and IEA's. In addition to that, we also have a large amount of Child Abuse/Sexual Assaults cases. Det. Sgt. Shea handles the majority of these cases and trains the younger officers on the proper handling of these sensitive cases.

Sgt. Beth Tower is doing a great job in her role as a patrol sergeant. Sgt. Tower has restructured the Field Training Program and has transformed our old forms into new more efficient forms. Sgt. Tower has also become the department's new Taser instructor. We have since transitioned to a newer version of Tasers, the X2, with encumbered funds. The new X2 Taser allows officers to have multiple Taser deployments if needed and provides additional safety and tactical features. As a field training officer for the department, Sgt. Tower did an excellent job over the last year training all of our new officers.

My Executive Officer, Lt. Mike Stark, was also tasked this year with conducting background investigations and the training of new officers. Lt. Stark carried a large administrative workload but was able to provide flexibility to his schedule throughout the year in order to continually complete his daily tasks. Lt. Stark is working very hard to implement Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) standards here at the police department which includes rewriting department policies and procedures to make sure they are in-line with national standards. The accreditation process is very long and often requires a full-time effort and Lt. Stark has undertaken this effort along with his everyday administrative duties. Lt. Stark has seventeen years of experience in law enforcement.

The daily administrative functions of the police department are run by our administrative staff. Dawn Chabot is our daytime Administrative Assistant and Cheryl Hey is our part-time evening Administrative Assistant. We have been lucky to retain both employees for many years now. Both positions are extremely busy with various administrative tasks, to name a few: processing license to carries, accounts receivable/payable for the department, purchasing, processing right to know request, assisting the Prosecution Department with discovery requests and preparing subpoenas, receiving and tracking restitution for victims, maintain personnel files & rosters, etc. This year the Administrative Staff collected \$2,713.00 in restitution for various victims, \$885.00 of that restitution was paid to the Town of Allenstown.

In 2015, members of the department took a more active role in the community by participating in fundraising efforts for various organizations to include Special Olympics and Breast Cancer. To support Special Olympics, department members participated in the Torch Run and in Fueling for Dreams at the local Irving Gas Station. At the Irving, three department members volunteered on a Saturday with two area Olympians to pump gas and wash windows in effort to raise money for Special Olympics.

This past year the Select board hired Municipal Resource Incorporated to do an Audit of all town departments. The police department took part in that audit and looks forward to implementing their suggestions.

In 2015 the town experienced an increase in Arrests, Criminal Incidents, citations and a decrease in calls for service.

The statistical data for 2015 is as follows:

Accidents	68
Arrests	269
Criminal Incidents	421
Citations	1,422
Calls for Service (In station)	5,737
Calls for service (dispatched)	12,091

The police department would like to thank the surrounding mutual aid departments that we have worked closely with over the past year. We look forward to working with them again in the year of 2016.

Lastly, I would like to thank all the staff here at the Allenstown Police Department for working very hard and doing an excellent job over the past year. I look forward to the continued support from our community in 2016.

Sincerely,

Chief Paul Paquette

Library Report 2015

Greetings from your library!

The year 2015 was filled with changes at the library. Our Director, Deborah Gadwah, left us in late summer. Patricia Adams was hired as the new Director. We welcomed Betsi Randlett as our new Library Assistant in charge of Children's Services. Rose Bergeron, Library Assistant, continues to oversee Adult Services.

Our Summer Reading Program, "Every Hero has a Story," was a terrific success with forty six registered readers who attended programs which included a puppeteer, a magician and an animal show, as well as craft programs. We even had some adults who wanted to participate in the summer reading challenge.

The library windows are being restored through the Moose Plate Grant awarded by the State. With the generous funding from the Hunt Foundation, asbestos was removed and insulation installed throughout the library. New carpeting was also placed through the library. This is the first phase of a three part award.

We now offer craft time on Tuesdays under the direction of Betsi Randlett. This Childrens Program has been a great success and will continue into the new year.

We participated in the Recreation Departments "Night of Holiday Lights 2015." A Hot Cocoa Bar was set up and included all the fixings for a warm cup of cocoa. Children were able to craft a snowman ornament to take home, too. It was so nice to see so many familiar faces stop in and even better to see so many new faces. We issued six library cards to new patrons during the event.

We are hopeful that 2016 will see us serve the town as we have always strived to do. Please stop in and see us anytime!

Respectfully submitted by the Director and Trustees.

Allenstown Sewer Commission

35 Canal Street
Allenstown, NH 03275
603-485-5600
FAX 800-859-0081
www.allenstownnh.gov

To the Citizens of Allenstown:

In 2015 the Sewer Commission and staff began construction and installation of the Rotomix© jet nozzle mixing system. The construction and installation includes a new 12' X 18' electrical control building. Each of our three 200,000 gallon holding tanks will be equipped with a new twelve inch chopper pump, and eight jet mixing nozzles per tank. Construction began in late summer of 2015, and we anticipate this project to be completed in spring of 2016. The new system will eliminate the original 1975 air mixing system in our holding tanks. Eliminating the air mixing system will significantly reduce odors, by reducing the amount of odorous air created at the treatment plant. Other advantages of mechanical hydraulic mixing include; reduced energy costs and elimination of moving parts within the tank.

Other improvements initiated at the treatment facility include installation of an automated tank cleaning system in our secondary clarifiers. The complete replacement and installation of two critical 1975 grit pumps, which remove abrasives from the raw sewage to protect downstream process equipment. Another improvement in 2015 was the replacement of the original 1975 oil fired boiler, with a 94.6% efficient two stage natural gas system.

Improvements to the collection system infrastructure in 2015 included repairs to eleven manhole structures. These repairs include installation of concrete precast risers and replacement of manhole frame and covers. Rehabilitation to the collections system piping network was also performed in the fall of 2015 on Heritage Drive, Meadow Lane, and Townhouse Road. Improvements at the River Road pump station include; installation of broadband telecommunications, upgraded computer system, installation of programmable logic controller and peripheral devices, and remote monitoring of the pump station.

Additionally, the Commission and staff received and treated a record amount of hauled waste. The Allenstown Wastewater Treatment Facility treated more than twenty one million gallons of hauled waste in 2015, more than any other treatment facility in the State of New Hampshire.

The board of Sewer Commissioners has once again reduced the sewer rate for 2016 by 0.13%, to \$7.57 per 1,000 gallons. The Commission and staff look forward to another productive year serving the citizens of Allenstown. We would also like to acknowledge the contributions of the late Russel Smock in 2015.

Respectfully Submitted,

Jeffrey Backman, Superintendent

TRI-TOWN Emergency Medical Service

With the conclusion of 2015, Tri-Town Emergency Medical Service completed its third year of operation. The service was created by an Inter-Municipal Agreement between the Towns of Allenstown and Pembroke and commenced operations on January 1st, 2013. By the end of 2015, the Service's roster now reflected an active employee base with some scheduling changes overtime was brought under control, the service took a highly proactive role in the education of its staff and much of the durable medical equipment was updated and modernized. It is our goal that everyone we serve, feels confident they are receiving the best care possible from our Paramedics and EMS Providers.

Tri-Town EMS took the necessary steps to have a roster made up of employees who are dedicated to providing quality pre-hospital medical care and are active enough to keep overtime down. It is important to us that our staff is here to fulfill a need of providing compassionate service to the people we serve. Much of our staff is employed by other EMS agencies or hold other healthcare positions and they bring their experience and expertise to Allenstown and Pembroke. We expect our professionals to provide compassionate and quality healthcare and they do just that. During 2015 the leadership of Tri-Town EMS was proactive with education, and assisted Concord Hospital by hosting three of their EMS training events. The New Hampshire Fire Academy has recently started to provide regular EMS education, and we encourage our staff to take advantage of these educational opportunities to broaden their educational experience and knowledge base. It is the goal of the Service that our staff has access to enough educational and training opportunities provide by or through Tri-Town EMS, that they develop professionally while meeting their relicensing requirements.

In 2015, Tri-Town EMS continued its effort in updating aging medical equipment. The Service purchased the second cardiac monitor, replaced the computers used for documentation, purchased specialized pediatric splints, took delivery of Carbon Monoxide Monitors to ensure staff safety, placed a smart phone in the primary ambulance to be used for obtaining dispatch information and for communications with medical control, and took delivery of a Video Laryngoscope (used to place advanced airways and remove airway obstructions).

Last year, Tri-Town EMS responded to 1031 requests for medical aid in ten cities and towns, resulting in the transport of 707 patients. The overall call volume is was relatively the same as the year before and the number of patient who were transported was up in 2015. The majority of the people Tri-Town EMS transports are brought to Concord Hospital and the remaining people go to Catholic Medical Center and the Elliot Hospital. Tri-Town EMS will typically honor every person's request as to their hospital of choice, however there are times when the patient's condition dictates the ambulance crew takes them to the closest capable facility. In many cases this is Concord Hospital, which is a Level II Trauma Center, and provides a high level of care for cardiac and stroke patients. The service closely watches all times associated with all EMS incidents to ensure those we serve are being assessed and treated as quickly as possible. The average reaction time (time it takes the ambulance to respond once dispatched) was decreased, on average 31 seconds from the previous year, which has continued a two year trend.

TRI-TOWN Emergency Medical Service

The following illustrates the EMS Incident data for the last two years:

	2014	2015
TOTAL NUMBER OF EMS RESPONSES	1033	1031
Pembroke, NH	538 (51.88%)	573 (54.05%)

Town of Allenstown Trustees of the Trust Funds Cemetery Trustees

Trustees of Trust Funds Annual Report 2015;

There are three Trustees of Trust Funds and Cemetery Trustees, Lawrence (Larry) Anderson, Bookkeeper, Edger McKenney, Trustee and Don Chaput. The Trustees were able to attend one training session in June 2015. The Trustees meet quarterly to discuss Capital Reserve Funds, Bank Statements, Letter of Credit Deposit Investment Pool, and Trustees Investment Policy, approve previous minutes, and prepare MS-9 and MS-10 for DRA and attorney General Office. In Feb. 2015 our investment advisor was promoted and changed to Matt Prifti in Mar 2015 Karen Weinhold was promoted and changed control over to Megan Tolstenko TD Wealth Management System. The quarterly meeting in April 2015 the Trustees decided to invest 10% of the portfolio in the stock market which is doing very well. The June quarterly meeting we asked Matt to call if there was any value to change to 20% of the portfolio on stocks Matt called in Oct 2015 and wonders if with the 20% in stock. As of right now the market is still down but will come back with a good return if we wait for it to come back. I want to thank Matt and Megan for all the help in this process.

Cemetery Trustees of Trust Annual Report 2015:

The Cemetery Trustees have requested a statutory change to RSA -289 so that each town does not need to have a cemetery for their residents they will be able to use other town's cemeteries for burial of the deceased, The Cemetery Trustees have been working very hard to get a cemetery in Allenstown with no success because there is no money to lay the property out for a cemetery. We have a quote to do the lay out for \$5,000.00 from Holden Engineering. If RSA 289 does not get changed.

The Trustee books are available for review any time by calling the town office at 485-4276 x 110 or online at www.allenstownnh.gov

Thank you

Lawrence Anderson
Edger McKenney
Don Chaput

Welfare Report 2015

The Town of Allenstown Welfare Program provides temporary emergency assistance to residents in need of basic services. The following services were provided to residents in 2015:

Services	Applications for Assistance	Total Budget Expended
Rental Assistance	48	\$23,951
Electrical Assistance	10	\$ 1,497
Fuel Assistance	8	\$ 2,086
Medical Assistance	0	\$ 0
Burial Assistance	0	\$ 0
Food Assistance	0	\$ 0
Denied	23	\$ 0

The Town of Allenstown received \$2,347 in welfare lien reimbursements. We had a decrease in the need for services. Our medical budget was decreased due to the NH Medicaid Expansion Program this year. I also used a prescription discount program to assist individuals with prescriptions. The Boys and Girls Club received 200 food boxes from Stop and Shop. I was able to transfer some of those boxes to Community Action's Food Pantry. This donation assisted several families with food during the second half of the year.

The Town of Allenstown's Holiday Programs were a great success this year. We received \$829 in Christmas donations from local businesses, organizations and individuals to purchase gifts for needy children. The Giving Tree was also a great success; Allenstown residents, organizations, St. John the Baptist Parishioners and businesses picked tags from the tree and purchased wonderful gifts for these children. These two programs served 72 children with Christmas gifts this year.

The Interfaith Food Program provided 80 families with Thanksgiving meals. The Capital Region Holiday Food Programs provided meals for 109 families this year. I would like to thank the Interfaith Food Pantry, Big Jim's, Sully's, Town Hall Staff, Highway and the Fire Departments for their support with these programs.

The Welfare Administrator is the designated shelter manager during emergencies. The Allenstown shelter volunteers attended a couple trainings this year to prepare for a disaster. If you would like to become a shelter volunteer please contact me at 485-4276 ext. 120, we are always looking for additional members.

Diane M. Demers
Welfare Administrator

**Town of Allenstown
Zoning Board of Adjustment
Annual Report to the Town 2015**

Economic conditions have begun to improve and property owners are looking to expand their use of their land or in some cases choose new uses. The Zoning Board of Adjustment heard half a dozen cases in 2015, several more than in recent years, and we continue to be ready to hear any matters that may come before us. The Zoning Board of Adjustment neither makes nor changes zoning ordinances, but grants exceptions when justified. If a property owner wishes to build, expand, or make changes in the use of their property, and their plans do not conform to the town code or ordinances, the property owner may appeal the decision of the Code Enforcement Officer to the Zoning Board of Adjustment. The application and any supporting evidence or documents become public information and property of the town. Applications for Appeal are available at the town office or can be downloaded from the town website.

If an appeal is made to the Board, written notice is sent to abutting property owners via certified mail. If you are not an abutter you will not be personally notified, but residents are advised to regularly check the public notices posted on the bulletin boards at the Town Hall and the Police Station. Any resident or property owner in Allenstown is welcome at our meetings, and is entitled to speak to any matter that may concern them.

The Board will hear all sides of a case, and may consult with other town officials or solicit expert opinions when needed. The Zoning Board is not bound by precedent, meaning that each case is heard on its merits and previous decisions are not binding on subsequent matters. Be assured, applicants and their neighbors will have a fair hearing and treatment from the Board.

There has been a nearly complete turnover of Board members since last year. Consequently, we have expended some of our budget on a training session for the Board members. Vacancies still remain on the Board and people of good judgment and understanding are needed to fill these positions. If you are willing to serve your community in this capacity, no municipal experience is required. Training and guidance will be provided. Please visit Town Hall for more information.

Respectfully Submitted,
Eric Feustel, Chair
Zoning Board of Adjustment

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Allenstown	Total Tax Rate	Semi-Annual Tax Rate
Total 2015 Tax Rate	\$32.83	\$16.42

Fund Balance Retention

Enterprise Funds	\$2,100,024
General Fund Operating Expenses	\$9,338,153
Final Overlay	\$77,992

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

[1] The National Advisory Council on State and Local Budgeting (NACSLB), (1998), *Framework for Improved State and Local Government Budgeting: Recommended Budget Practices (4.1)*, pg. 17.

[2] Government Finance Officers Association (GFOA), (2009), *Best Practice: Determining the Appropriate Level of Unrestricted Fund Balance in the General Fund*.

[3] Government Finance Officers Association (GFOA), (2011), *Best Practice: Replenishing General Fund Balance*.

2015 Fund Balance Retention Guidelines: Allenstown	
Description	Amount
Current Amount Retained (17.13%)	\$1,599,574
17% Retained <i>(Maximum Recommended)</i>	\$1,587,486
10% Retained	\$933,815
8% Retained	\$747,052
5% Retained <i>(Minimum Recommended)</i>	\$466,908

NOTICE: The current fund balance retained amount is above the maximum recommended threshold.

2015 RSA 198:4-b II School Fund Balance Retention Guidelines: Allenstown

If a school district has adopted RSA 198:4-b II by a vote of the legislative body, the school district may retain year-end unassigned general funds in an amount not to exceed, in any fiscal year, 2.5 percent of the current fiscal year's net assessment pursuant to RSA 198:5, for the purpose of having funds on hand to use as a revenue source for emergency expenditures and overexpenditures under RSA 32:11, or to be used as a revenue source to reduce the tax rate. This retained fund balance is not cumulative. The maximum allowed fund balance retention has been calculated as:

	Net Assessment	2.5% of Net Assessment
Local School	\$3,972,204	\$99,305

Town Clerk and Tax Collector Annual Report

Town Clerk/Tax Collector Office Hours:

Monday 7:30am – 6:15pm

Tuesday – Thursday 7:30am – 5:15pm

Friday – Sunday Closed

January 1st, 2016

Dear Residents and Taxpayers of Allenstown,

I am currently serving as both the elected Town Clerk and the appointed Tax Collector. It is an honor to serve as your municipal official and I thank you all sincerely for allowing me the opportunity to work for you in this capacity. I conduct the business of both the clerk and tax offices simultaneously throughout my work day in an effort to best meet the needs of the residents and taxpayers of Allenstown. My office is responsible for much of the business that you complete at Town Hall every day. Examples include motor vehicle registrations, dog licensing, creation of vital records such as birth, death and marriage certificates, voter registrations, election details, issuing the authorized tax bills and collecting the funds owed to Allenstown as well as the retention and preservation of Allenstown's current and historical vital records.

Many of my duties are prescribed by the RSA's set forth by the NH legislature. I conduct all business in accordance with those RSA's and attend trainings and certification classes as necessary in order to stay informed about law changes. This past year, I was able to attend both the Town Clerks and the Tax Collectors Annual Conferences. These conferences helped to inform and prepare me for the law changes that have gone into effect pertaining to the upcoming 2016 elections, motor vehicle registration changes, and tax collection law changes. I also attended the third year of a four year training class for Town Clerks and Tax Collectors in the State of NH. I look forward to completing year four of the training in August of 2016, earning the Town Clerks and Tax Collectors Joint Certification awarded to those who successfully complete the course. I believe that these trainings help me to be more effective and efficient in my every day transactions with each and every one of you. I am always eager to improve upon my customer service and to make your transactions at Town Hall that much quicker and easier. If you ever have any suggestions or comments to share, please contact me.

2015 was a year of many added services and changes at Town Hall. The division of Fish and Game authorized the Town Clerk's office to issue and renew OHRV registrations for off road vehicles such as four wheelers and snowmobiles. The office was also authorized to issue hunting and fishing licenses. I hope the convenience of being able to conduct these transactions at Town Hall will benefit many residents in Allenstown. The office also began registering boats in 2015.

Please note that the law has changed on titles required for registering your vehicles. As of January 1, 2015 all 2000 vehicles and newer must be titled. There is no longer a fifteen (15) year title law. 1999 and older are exempt from titling but certain requirements must be met in order to register the vehicle. Contact Town Hall with any questions.

I would like to thank Russell Harvey and Ed Fay for their time given and donations made towards beautifying Allenstown Town Hall this past spring. Their help was hugely appreciated and made such a difference in the appearance of our building. I would also like to thank **LaValley Farms** for their donation of flowers. We couldn't have done it without their thoughtful generosity.

I am hoping to establish a beautification committee again this spring to focus on gardening projects at Town Hall as well as other publicly enjoyed areas within Allenstown. If you are interested in helping in any way, please contact me.

The Town Clerks office extends the courtesy of e-mail renewal notices for both vehicle registration renewals and dog licenses. If you have not already provided us with your e-mail address and wish to receive these reminders, please contact our office.

Many transactions may be conducted online through our Town website at Allenstownnh.gov. We also accept credit card payments in our office and online for most transactions. However, there are user fees that apply. Cash and checks are accepted in house with no additional charges.

REPORT OF TRUST AND CAPITAL RESERVE FUNDS

Form Due Date: March 1st (Calendar Year), or September 1st (Fiscal Year)

Instructions

Cover Page

- Select the Municipality name from the pull down menu
- Enter the preparer's information

Reporting:

- Complete all fields as necessary for the Report of Trust Funds and Principal Only sections.
- INVESTMENT POLICY - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually. A copy of this policy must be filed with the Director of Charitable Trusts (RSA 31:25, 34, 35:9).
- PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust fund involved, however, please be advised the fees can be taken from income only and not from principal.
- WEB SITE - A trustee handbook can be downloaded from the website for the Attorney General's Charitable Trust Division at www.dnj.nh.gov/charitable
- FAIR VALUE - Use this section to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
- CAPITAL RESERVE FUND - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
- WHEN and WHERE TO FILE - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See instructions and address on the last page of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

A hard copy of this form, as well as the signature page, must be sent to:

Department of Justice
Office of the Attorney General
33 Capitol Street
Concord, NH 03301-6327

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Allenstown
Allenstown, New Hampshire

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, business-type activities, major funds, and aggregate remaining fund information of the Town of Allenstown as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, major funds, and aggregate remaining fund information of the Town of Allenstown as of December 31, 2014, and the respective changes in financial position and cash flows, where applicable, and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information - Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (pages 3 through 10) and the Schedule of Funding Progress for Other Postemployment Benefit Plan (page 40) be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers them to

*Town of Allenstown
Independent Auditor's Report*

be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information - Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Allenstown's basic financial statements. The combining and individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

EXHIBIT C-2
TOWN OF ALLENSTOWN, NEW HAMPSHIRE
Reconciliation of the Balance Sheet of Governmental Funds to the Statement of Net Position
December 31, 2014

Total fund balances of governmental funds (Exhibit C-1)		\$ 1,913,050
Amounts reported for governmental activities in the Statement of Net Position are different because:		
Capital assets used in governmental activities are not financial resources, therefore, are not reported in the funds.		
Cost	\$ 7,000,820	
Less accumulated depreciation	<u>(2,780,860)</u>	
		4,219,960
Property taxes are recognized on an accrual basis in the Statement of Net Position and on a modified accrual basis in the governmental funds.		
Deferred inflows of resources - property taxes	\$ 265,581	
Allowance for uncollectible property taxes	<u>(33,553)</u>	
		232,028
Interest on long-term debt is not accrued in governmental funds.		
Accrued interest payable		(6,389)
Long-term liabilities are not due and payable in the current period, therefore, are not reported in the funds.		
Capital leases	\$ 496,446	
Compensated absences	57,383	
Other postemployment benefits	206,095	
Accrued landfill postclosure care costs	<u>87,000</u>	
		(846,924)
Net position of governmental activities (Exhibit A)		<u>\$ 5,511,725</u>

The notes to the basic financial statements are an integral part of this statement.

EXHIBIT C-3
TOWN OF ALLENSTOWN, NEW HAMPSHIRE

Taxes	\$ 2,804,502	\$ -	\$ 2,804,502
Licenses and permits	623,197	-	623,197
Intergovernmental	380,396	103,578	483,974
Charges for services	130,358	16,003	146,361
Miscellaneous	195,756	135	195,891
Total revenues	<u>4,134,209</u>	<u>119,716</u>	<u>4,253,925</u>
EXPENDITURES			
Current:			
General government	1,221,024	1,229	1,222,253
Public safety	1,436,866	29,095	1,465,961
Highways and streets	660,882	80,178	741,060
Sanitation	150,985	-	150,985
Health	25,007	-	25,007
Welfare	55,820	-	55,820
Culture and recreation	108,116	-	108,116
Conservation	1,332	-	1,332
Capital outlay	195,795	-	195,795
Total expenditures	<u>3,855,827</u>	<u>110,502</u>	<u>3,966,329</u>
Excess of revenues over expenditures	278,382	9,214	287,596
OTHER FINANCING SOURCES			
Capital leases	191,822	-	191,822
Net change in fund balances	470,204	9,214	479,418
Fund balances, beginning, as restated (see Note 15)	1,381,625	52,007	1,433,632
Fund balances, ending	<u>\$ 1,851,829</u>	<u>\$ 61,221</u>	<u>\$ 1,913,050</u>

The notes to the basic financial statements are an integral part of this statement.

EXHIBIT C-4
TOWN OF ALLENSTOWN, NEW HAMPSHIRE
Reconciliation of the Statement of Revenues, Expenditures, and
Changes in Fund Balances of Governmental Funds to the Statement of Activities
For the Fiscal Year Ended December 31, 2014

Net change in fund balances of governmental funds (Exhibit C-3)		\$ 479,418
Amounts reported for governmental activities in the Statement of Activities are different because:		
Governmental funds report capital outlays as expenditures. In the Statement of Activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capitalized capital outlay exceeded depreciation expense in the current period.		
Capitalized capital outlay	\$ 176,955	
Depreciation expense	<u>(130,489)</u>	
		46,466
Revenue in the Statement of Activities that does not provide current financial resources is not reported as revenue in the governmental funds.		
Change in deferred tax revenue	\$ (30,428)	
Change in allowance for uncollectible property taxes	<u>(1,624)</u>	
		(32,052)
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.		
Inception of capital leases	\$ (191,822)	
Repayment of capital leases	<u>153,388</u>	
		(38,434)
Some expenses reported in the Statement of Activities do not require the use of current financial resources, and therefore, are not reported as expenditures in governmental funds.		
Decrease in accrued interest expense	\$ 2,470	
Increase in compensated absences payable	(16,323)	
Decrease in accrued landfill postclosure care costs	3,000	
Increase in postemployment benefits payable	<u>(60,175)</u>	
		(71,028)
Changes in net position of governmental activities (Exhibit B)		<u>\$ 384,370</u>

The notes to the basic financial statements are an integral part of this statement.

NOTES

THE STATE OF NEW HAMPSHIRE
TOWN OF ALLENSTOWN
WARRANT FOR THE YEAR 2016

TO THE INHABITANTS OF THE TOWN OF ALLENSTOWN, IN THE COUNTY OF MERRIMACK, STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the St. John the Baptist Parish Hall, 10 School St. Allenstown, N.H. on Saturday, January 30, 2016 at 9:00 a.m. (or, in the event of inclement weather, on Wednesday, February 3, 2016 at 6 p.m.) for the purpose of transacting all business other than voting by official ballot and thereafter to meet on Tuesday, March 8, 2016 between 8:00 a.m. and 7:00 p.m. at the St. John the Baptist Parish Hall, located at 10 School Street in Allenstown N.H., to elect officers, vote on zoning articles and to vote on all warrant articles from the first session by official ballot.

ARTICLE 1

To choose all necessary Town Officers for the ensuing year as follows:

Town Treasurer, for a term of one (1) year;
Road Agent, for a term of three (3) years;
Select Board Member, for a term of three (3) years;
Sewer Commissioner, for a term of three (3) years;
Trustee of Trust Funds, for a term of three (3) years;
Library Trustee, for a term of two (2) years;
Library Trustee, for a term of three (3) years;
Trustee of Cemeteries Fund, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of two (2) years;
Budget Committee Member, for a term of one (1) year;
Supervisor of the Checklist, for a term of six (6) years;

ARTICLE 2

Are you in favor of the adoption of Amendment No. 1 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article 11, by adding by adding the following language:

To create a new Section 1122, Privately Owned Graveyards, Burial Grounds. To ensure that privately owned burial grounds, as defined by RSA 289:1 are permanently identified and shall not be a threat to public health, establish certain setbacks from wetlands, floodplain, roads/rights-of-way, potable water and property lines; and, that they shall be delineated and that their location shall be recorded on a plan prepared by a licensed surveyor and recorded at the Merrimack County Registry of Deeds within a reasonable time following the burial.

Recommended by the Planning Board

ARTICLE 3

Are you in favor of the adoption of Amendment No. 2 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article 11, by adding the following language:

A new section 1123, Residential Accessory Use to Primary Commercial Use. To authorize the Planning Board to issue Conditional Use Permits, and establish certain standards and processes for such permits, in the Business Zone, the Commercial Light Industrial Zone, and the Industrial Zone for an accessory residential use to a principal commercial use.

Recommended by the Planning Board

ARTICLE 4

Are you in favor of the adoption of Amendment No.3 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XXIV, Groundwater Protection Overlay District, Section VI, by removing reference to the Spill Prevention, Control, and Countermeasure Plan (SPCC) in accordance with Allenstown Town Ordinance CO217.

ARTICLE 5

Are you in favor of the adoption of Amendment No.4 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section III, by re-designating the current paragraph as item "A" and by adding a new subsequent item "B" which indicates that nothing in Article XXV relieves a land owner from complying with applicable provisions, including more stringent provisions, of Allenstown Ordinance CO 217, Regulation of Discharges Into Storm Water Drainage System as it may be amended from time to time.

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section IV.A by adding a new item "xiii" that indicates that for projects falling under the jurisdiction of Allenstown Ordinance CO 217, Regulation of Discharges Into Storm Water Drainage System as it may be amended from time to time, any additional SWPPP provisions found in CO 217 shall also be included in the SWPPP used to comply with the provisions of this Article.

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section V.G.2 as follows (~~striketrough text removed~~, underlined added, all other text is existing and shall not be changed):

In addition to implementation of BMPs for designing site-specific stormwater management controls, uses included under subsection G.1 shall provide a stormwater pollution prevention plan (SWPPP, see ~~margin note~~ Section IV of this Article), describing methods for source reduction and methods for pretreatment.

ARTICLE 6 Town Operating Budget

Shall the Town of Allenstown raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$3,885,825** Should this article be defeated, the default budget shall be **\$3,885,957**, which is the same as last year, with certain adjustments required by previous action of the Town of Allenstown or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a

revised operating budget only. Estimated tax impact is approximately \$0.13 cents per thousand dollars of assessed value.

NOTE: This warrant article (operating budget) does not include appropriations in ANY other warrant article.

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 7 Sewer Operating Budget

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) Shall the Town of Allenstown raise and appropriate as an operating budget for the Allenstown Sewer Commission, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$2,126,967**. Should this article be defeated, the default budget shall be **\$2,136,550**, which is the same as last year, with certain adjustments required by previous action of the Town of Allenstown or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

NOTE: This warrant article (operating budget) does not include appropriations in ANY other warrant article.

Recommended by the Budget Committee

ARTICLE 8 Fire Safety Equipment Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of **\$50,000** to be added to the Fire Safety Equipment Capital Reserve Fund previously established. This sum to come from the unassigned fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 9 Highway Equipment Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of **\$32,000** to be added to the Highway

Equipment Capital Reserve Fund previously established. This sum to come from unassigned fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 10 Highway Garage Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of **\$15,000** to be added to the Highway Garage Capital Reserve Fund previously established. This sum to come from unassigned fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 11 Town Hall Repair and Maintenance Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of **\$15,000** to be added to the Town Hall Repair and Maintenance Capital Reserve Fund previously established. This sum to come from unassigned fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 12 Solar Energy Systems Tax Exemption

To see if the Town of Allenstown will vote to adopt the provisions of RSA 72:61 through RSA 72:63, which provide for an optional property tax exemption from the assessed value, for property tax purposes, for persons owning real property which is equipped with a solar energy system as defined by RSA 72:61, provided that such solar energy systems are primarily intended for the generation of power to be consumed at the site where such solar energy systems are located or for other sites owned by the taxpayer or related entities. Such property tax exemption shall be in the amount equal to 100% of the assessed value of the qualifying solar energy systems. (Majority vote required).

Recommended by the Board of Selectmen

ARTICLE 13-By Petition

To see if the Town of Allenstown will vote to combine the position of Town Clerk and Tax Collector as authorized by the State of New Hampshire in RSA 41:45-a, to one elected three (3) year term. The new combined position shall receive full health, dental and retirement benefits and receive a reduced yearly salary of \$43,000 (fourty-three thousand), not to be increased except by the approval of the voters. Effective at the March elections in 2017. This article proposed by the current Town Clerk and Tax Collector.

Not recommended by the Board of Selectmen

ARTICLE 14-By Petition

To see if the Town of Allenstown will vote to increase the Board of Selectmen Board from a three (3) member board to a five (5) member board as authorized by the State of New Hampshire in RSA 41:8-b through RSA 41:8-c. Effective at the 2017 Town election.

Not recommended by the Board of Selectmen

ARTICLE 15-By Petition

“To see if the Town of Allenstown will vote to adopt a Town policy where such policy shall mandate the Board of Selectmen to seek Town Approval to create any New Staffing Position for all Town Departments and to seek authorization to add the expenditure line to fund such position, said policy shall take effect upon adoption”

Not recommended by the Board of Selectmen

THE STATE OF NEW HAMPSHIRE

TOWN OF ALLENSTOWN

*****Amended*** WARRANT FOR THE YEAR 2016**

TO THE INHABITANTS OF THE TOWN OF ALLENSTOWN, IN THE COUNTY OF MERRIMACK, STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the St. John the Baptist Parish Hall, 10 School St. Allenstown, N.H. on Saturday, January 30, 2016 at 9:00 a.m. (or, in the event of inclement weather, on Wednesday, February 3, 2016 at 6 p.m.) for the purpose of transacting all business other than voting by official ballot and thereafter to meet on Tuesday, March 8, 2016 between 8:00 a.m. and 7:00 p.m. at the St. John the Baptist Parish Hall, located at 10 School Street in Allenstown N.H., to elect officers, vote on zoning articles and to vote on all warrant articles from the first session by official ballot.

ARTICLE 1

To choose all necessary Town Officers for the ensuing year as follows:

Town Treasurer, for a term of one (1) year;
Road Agent, for a term of three (3) years;
Select Board Member, for a term of three (3) years;
Sewer Commissioner, for a term of three (3) years;
Trustee of Trust Funds, for a term of three (3) years;
Library Trustee, for a term of two (2) years;
Library Trustee, for a term of three (3) years;
Trustee of Cemeteries Fund, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of three (3) years;
Budget Committee Member, for a term of two (2) years;
Budget Committee Member, for a term of one (1) year;
Supervisor of the Checklist, for a term of six (6) years;

ARTICLE 2

Are you in favor of the adoption of Amendment No. 1 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article 11, by adding by adding the following language:

To create a new Section 1122, Privately Owned Graveyards, Burial Grounds. To ensure that privately owned burial grounds, as defined by RSA 289:1 are permanently identified and shall not be a threat to public health, establish certain setbacks from wetlands, floodplain, roads/rights-of-way, potable water and property lines; and, that they shall be delineated and that their location shall be recorded on a plan prepared by a licensed surveyor and recorded at the Merrimack County Registry of Deeds within a reasonable time following the burial.

Recommended by the Planning Board

ARTICLE 3

Are you in favor of the adoption of Amendment No. 2 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article 11, by adding the following language:

A new section 1123, Residential Accessory Use to Primary Commercial Use. To authorize the Planning Board to issue Conditional Use Permits, and establish certain standards and processes for such permits, in the Business Zone, the Commercial Light Industrial Zone, and the Industrial Zone for an accessory residential use to a principal commercial use.

Recommended by the Planning Board

ARTICLE 4

Are you in favor of the adoption of Amendment No.3 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XXIV, Groundwater Protection Overlay District, Section VI, by removing reference to the Spill Prevention, Control, and Countermeasure Plan (SPCC) in accordance with Allenstown Town Ordinance CO217.

Recommended by the Planning Board

ARTICLE 5

Are you in favor of the adoption of Amendment No.4 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section III, by re-designating the current paragraph as item “A” and by adding a new subsequent item “B” which indicates that nothing in Article XXV relieves a land owner from complying with applicable provisions, including more stringent provisions, of Allenstown Ordinance CO 217, Regulation of Discharges Into Storm Water Drainage System as it may be amended from time to time.

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section IV.A by adding a new item “xiii” that indicates that for projects falling under the jurisdiction of Allenstown Ordinance CO 217, Regulation of Discharges Into Storm Water Drainage System as it may be amended from time to time, any additional SWPPP provisions found in CO 217 shall also be included in the SWPPP used to comply with the provisions of this Article.

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section V.G.2 as follows (~~striketrough~~ text removed, underlined added, all other text is existing and shall not be changed):

In addition to implementation of BMPs for designing site-specific stormwater management controls, uses included under subsection G.1 shall provide a stormwater pollution prevention plan (SWPPP, see ~~margin note~~ Section IV of this Article), describing methods for source reduction and methods for pretreatment.

Recommended by the Planning Board

ARTICLE 6 Town Operating Budget

Shall the Town of Allenstown raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$3,885,825**. Should this article be defeated, the default budget shall be **\$3,885,957**, which is the same as last year, with certain adjustments required by previous action of the Town of Allenstown or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Estimated tax impact is approximately \$0.13 cents per thousand dollars of assessed value.

NOTE: This warrant article (operating budget) does not include appropriations in ANY other warrant article.

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 7 Sewer Operating Budget

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) Shall the Town of Allenstown raise and appropriate as an operating budget for the Allenstown Sewer Commission, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$2,126,967**. Should this article be defeated, the default budget shall be **\$2,136,550**, which is the same as last year, with certain adjustments required by previous action of the Town of Allenstown or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

NOTE: This warrant article (operating budget) does not include appropriations in ANY other warrant article.

Recommended by the Budget Committee

ARTICLE 8 Fire Safety Equipment Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of **\$50,000** to be added to the Fire Safety Equipment Capital Reserve Fund previously established. This sum to come from the unassigned fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 9 Highway Equipment Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of **\$32,000** to be added to the Highway Equipment Capital Reserve Fund previously established. This sum to come from unassigned fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 10 Highway Garage Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of **\$15,000** to be added to the Highway Garage Capital Reserve Fund previously established. This sum to come from unassigned fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 11 Town Hall Repair and Maintenance Capital Reserve Fund

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town of Allenstown will vote to raise and appropriate the sum of **\$15,000** to be added to the Town Hall Repair and Maintenance Capital Reserve Fund previously established. This sum to come from unassigned fund balance. (Majority vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 12 Solar Energy Systems Tax Exemption

To see if the Town of Allenstown will vote to adopt the provisions of RSA 72:61 through RSA 72:63, which provide for an optional property tax exemption from the assessed value, for property tax purposes, for persons owning real property which is equipped with a solar energy system as defined by RSA 72:61, provided that such solar energy systems are primarily intended for the generation of power to be consumed at the site where such solar energy systems are located or for other sites owned by the taxpayer or related entities. Such property tax exemption shall be in the amount equal to 100% of the assessed value of the qualifying solar energy systems. (Majority vote required).

Recommended by the Board of Selectmen

ARTICLE 13-By Petition

To see if the Town of Allenstown will vote to combine the position of Town Clerk and Tax Collector as authorized by the State of New Hampshire in RSA 41:45-a, to one elected three (3) year term. The new combined position shall receive full health, dental and retirement benefits and receive a reduced yearly salary of \$43,000 (fourty-three thousand), not to be increased

except by the approval of the voters. The estimated cost of full benefits as described above for 2017 is: health insurance between \$9,213 and \$28,282, Dental Insurance between \$484 and \$1,705, Retirement \$7,813. Total appropriation for the combined position for the 2017 Budget is \$80,800. The total obligation in 2017 for the combined position shall not exceed \$80,800. Effective at the March elections in 2017. This article proposed by the current Town Clerk and Tax Collector.

Not recommended by the Board of Selectmen

ARTICLE 14-By Petition

“Are you in favor of increasing the board of selectmen to 5 members?”. Estimated cost in the 2017 Budget is \$4,962.

Not recommended by the Board of Selectmen

ARTICLE 15-By Petition

“To see if the Town of Allenstown will vote to adopt a Town policy where such policy shall mandate the Board of Selectmen to seek Town Approval to create any New Staffing Position for all Town Departments and to seek authorization to add the expenditure line to fund such position, said policy shall take effect upon adoption”

Default Budget: Allenstown

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

2015 ANNUAL REPORT TO BOARD OF DIRECTORS

The 2015 annual report is prepared for the Board of Directors of the Capital Area Mutual Aid Fire Compact as a summary of general activities and events occurring through December 31, 2015. It is also provided to the Town offices of the Compact's member communities for information and distribution as desired.

The Compact's operational area is 769 square miles with a resident population of 132,983. The Equalized Property Valuation in our coverage area is currently listed as over twelve billion dollars. We also provide and receive mutual aid responses with communities beyond our member area.

The Compact provides 24/7 emergency dispatch service to its twenty-two member communities. This service is contracted with the City of Concord Fire Department's Communications Center. Dispatched calls totaled 22,348 in 2015, an increase of 2.1% from the previous year. The detailed activity report by town/agency is attached.

The 2015 Compact operating budget was \$ 1,133,108. Funding of all Compact operations is provided by the member communities. We continue to apply for State and Federal Grant Funds when available. During 2015 we were awarded a grant of \$161,284.05 for Phase 3 of our communication system improvements. Work funded by this grant will begin during 2016. The Compact was also the recipient of a grant for \$5,250 on behalf of the Hazmat Team to fund their medical surveillance program. The Phase 1 and 2 communications work funded in 2014 with a \$499,403 grant has been started. Equipment purchases are being made and FCC licensing and tower site-use agreements are underway. During 2015 work for the \$19,500 grant for a continuity of operations plan to formalize our backup operations with the Lakes Region Mutual Fire Aid was completed and that plan is now in place. The Compact has received a total of \$1,499,225.59 in grant funding since 2007.

The Chief Coordinator responded to 196 incidents throughout the system in 2015, and provided command post assistance on those mutual aid incidents. He also aids all departments with response planning, updating addressing information, and represents the Compact with several organizations related to public safety.

Compact officers serving during 2015 were:

President, Chief Ray Fisher, Boscawen
Vice President, Chief Jon Wiggin, Dunbarton
Secretary, Chief Alan Quimby, Chichester
Treasurer, Assistant Chief Dick Pistey, Bow

57 REGIONAL DRIVE, CONCORD, NH 03301

ALLENSTOWN · BOSCAWEN · BOW · BRADFORD · CANTERBURY · CHICHESTER · CONCORD · DEERING · DUNBARTON
EPSOM · HENNIKER · HILLSBOROUGH · HOOKSETT · HOPKINTON · LOUDON · NORTHWOOD · PEMBROKE ·
PITTSFIELD · SALISBURY · WARNER · WEBSTER · WINDSOR

The Training Committee chaired by Henniker Captain Mick Costello; with members Bow Assistant Chief Dick Pistey, Chichester Deputy Chief Matt Cole and Warner Deputy Chief Jon France assisted departments with mutual aid exercises. These combined drills provide valuable training in the delivery of mutual aid services.

The Central New Hampshire HazMat Team represents 58 Capital Area and Lakes Region area communities and is ready to assist or respond to hazardous materials incidents in our combined areas. Hazardous Materials Team Chief Bill Weinhold encourages all communities to participate in the Regional Emergency Planning Committee (REPC) planning programs and to take advantage of hazardous materials training for local departments.

The Compact worked to facilitate some group purchasing during 2015. 13 EMS services responding to 17 of the Compact communities were in need of a new EMS billing service. We met as a group and investigated several companies who offered the required services. Acting as a group, we were able to secure an attractive rate and 11 of the services chose the same vendor to benefit from the enhanced pricing. Work is currently underway to secure pricing as a group for SCBA purchases to be made during 2016.

2015 was marked by significant brush fires throughout the Compact and all of the State. The importance of mutual aid was highlighted by these large scale incidents as Compact departments travelled far outside their normal response areas to provide help to other communities and some received assistance from multiple departments. The dispatch center was busy coordinating Compact responses and fulfilling their role as the primary contact for the Statewide Mobilization Plan.

All departments are encouraged to send representation to all Compact meetings. Your input is needed. The Compact was created for the mutual benefit of member communities and active participation is a necessity to ensure the needs of all are being met.

I invite anyone with questions or comments to contact me. I thank all departments for their cooperation. Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Keith Gilbert, Chief Coordinator

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION
28 Commercial Street Suite 3 ❖ Concord, New Hampshire 03301
❖ phone: (603) 226-6020 ❖ fax: (603) 226-6023 ❖ internet: www.cnhrpc.org

Established in accordance with state law, the Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 communities in Merrimack and Hillsborough Counties. The Town of Allenstown is a member in good standing of the Commission. Larry Anderson and Chad Pelissier are the Town's representatives to the Commission.

CNHRPC's mission is to comply with State statute (RSA 36:47) by preparing and adopting regional land use and transportation plans and a regional housing needs assessment. CNHRPC also evaluates developments of regional impact (RSA 36:54-58) and provides data, information, training, and high-quality, cost-effective services to our member communities. CNHRPC advocates for member communities and assists and encourages them in both municipal and regional endeavors.

In 2015, the Central New Hampshire Regional Planning Commission undertook the following local and region-wide activities:

- Provided technical assistance services for member communities, including zoning ordinance development, grant writing assistance, plan review services, local master plan development, capital improvements program development and guidance, hazard mitigation guidance, and planning board process training. In Allenstown, CNHRPC staff provided Planning Board circuit rider services that included assisting the Planning Board with the processing of applications, reviewing two gravel pit plan applications, four site plan applications, one subdivision, and two lot line adjustment. CNHRPC also assisted the Board with the development of zoning ordinances and revisions to the Excavation Regulations, the Site Plan Regulations, and the Subdivision Regulations. Staff also continued to provide assistance to the Planning Board on the Allenstown Master Plan Update and assisted with efforts to comply with the United States Environmental Protection Agency's Municipal Separate Storm Sewer System (MS4) permit requirements.
- Provided Hazard Mitigation Plan update development assistance to seven community Hazard Mitigation Committees and developed Plan implementation and evaluation documents. In Allenstown, staff finalized the Allenstown-Suncook River Hazard Mitigation Plan Update 2015 with their Committee by developing and incorporating the Suncook River's fluvial geomorphic assessment (FGA) data, a set of fluvial geomorphic feature, erosion, and large woody material maps, and the resulting Suncook River FGA Addendum.
- Completed Fluvial Geomorphic Assessment (FGA) planning activities for eight communities, including Allenstown, along the Piscataquog, Turkey, Soucook, and Suncook Rivers for incorporation into Hazard Mitigation Plans.
- Completed the preparation of the Central NH Regional Plan which was adopted by the CNHPRC Full Commission on February 12, 2015.
- Completed the preparation of the Central NH Region Broadband Plan which was adopted by the CNHPRC Full Commission on June 11, 2015.
- Began the development of the CNHRPC Regional Brownfields Program through funding from the United States Environmental Protection Agency. Tasks completed in 2015 included the formation of the regional Brownfields Advisory Committee and the initial steps to select qualified environmental professionals to prepare assessments of potential brownfields sites in the region. For more information on brownfields and the CNHRPC Brownfields Program please go to www.cnhrpc.org/cnhrpc-brownfields-program.
- Assisted the Currier and Ives Byway with its member towns of Henniker, Hopkinton, Webster, Warner, and Salisbury. In 2015, the Council continued to meet quarterly to support its efforts in public outreach to promote the Byway.

- Provided assistance to the Warner River Nomination Committee, including representatives from Bradford, Warner, Sutton, Webster, and Hopkinton, related to the possible future nomination of the Warner River into the NH Rivers Management and Protection Program.
- Coordinated the activities of the CNHRPC Transportation Advisory Committee (TAC). In 2015, CNHRPC staff worked with the TAC to complete the preparation of the 2017-2026 Regional Transportation Improvement Program (TIP) to ensure that the region's needs were adequately addressed in the State Ten Year Highway Transportation Plan (TYP. Information related to the TIP update process can be found at www.cnhrpc.org/transportation/transportation-improvement-program-tip.
- Offered its member communities a Road Surface Management System (RSMS) program, through transportation planning activities, which provides an overview and estimate of a municipal road system's condition and the approximate costs for future improvements.
- Completed over 200 traffic counts in the region as part of its annual Transportation Data Collection Program. In Allenstown, CNHRPC conducted ten (10) traffic counts along state and local roads.
- Assisted five communities with the preparation of Transportation Alternatives Program (TAP) grant applications for pedestrian and bicycle improvement projects.
- Continued to support an enhanced volunteer driver program (VDP) in our region that was established in November 2011 through CNHRPC's 2010 Coordinated Transportation Plan efforts. In 2015, the VDP provided over 5,000 rides to seniors and people with disabilities for essential medical appointments and vital services that help the residents of our region remain independent. The goal of the planning effort was to reduce transportation costs for those in need while increasing coordination between existing transportation providers. In Suncook, there are currently thirteen (13) customers receiving rides and two (2) drivers providing rides through the enhanced Mid-State RCC Volunteer Driver Program. For more information, visit www.midstatercc.org.
- CNHRPC provided assistance to the Regional Trails Coordinating Council, a coalition of local rail trail and shared-use path groups in roughly the Salem-Manchester-Concord corridor. In 2015, the group worked on implementing tasks recommended in the Regional Trails Plan for the region. Activities included awareness and outreach activities such as distributing trail marker signs, developing interactive maps for the public, and other activities to promote the use and development of rail trails in the region.
- Provided assistance to NH Department of Transportation's (NHDOT) Bicycle and Pedestrian Transportation Advisory Committee (BPTAC), advising NHDOT on bicycle and pedestrian related matters. BPTAC activities included various projects such as level of traffic stress analysis, lane striping policies, and the development of a statewide bicycle and pedestrian traffic counting program.
- CNHRPC provided assistance with the development of a regional transportation model comprised of over 400 traffic analysis zones as part of the I-93 Bow-Concord expansion project. The transportation model was developed using a base year of 2010 and a future year of 2035 using projections for population and employment. The model allows CNHRPC to demonstrate what effects specific demographic changes and roadway projects may have on traffic throughout the region.
- CNHRPC completed a NHDES 604(b) impervious cover study for the Upper Merrimack River Local Advisory Committee (UMRLAC) with its member towns of Bow, Concord, Boscaawen, and Canterbury. CNHRPC completed the creation of an impervious cover GIS layer for the UMRLAC region, developed several maps of the region and each town displaying impervious cover and other pertinent map layers. Reports with a detailed discussion of local areas of concern were developed for each community.
- Continued to acquire, update, and utilize Geographic Information Systems (GIS) data for planning, cartography, and analysis across all projects.

For additional information, please contact the CNHRPC staff or visit us at www.cnhrpc.org. CNHRPC Commission meetings are open to the public and interested citizens are encouraged to attend.

**SUMMARY OF SERVICES 2015
PROVIDED TO
ALLENSTOWN RESIDENTS
SUNCOOK AREA CENTER
COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.**

SERVICE DESCRIPTION	UNITS OF SERVICE	HOUSEHOLDS/PERSONS	VALUE
EMERGENCY FOOD PANTRIES provide up to fivedays of food for people facing temporary food crisis. Value \$5.00 per meal.	MEALS--13,965	PERSONS--665	\$ 69,825.00
FUEL ASSISTANCE is available to income eligible households to help with energy costs during the prime heating season. Priority is given to the elderly and disabled.	APPLICATIONS--196	PERSONS--437	\$149,004.00
ELECTRIC ASSISTANCE program is a statewide program funded by all electric rate payers which provides a specific tier of discount from 9% to 77% on electric bills for income eligible households.	HOUSEHOLDS--176		\$ 63,770.00
WEATHERIZATION improves the energy efficiency of income eligible households. Supplemental program also includes furnace replacement, water heater replacement and roof repair. Funds from utility energy efficiency programs are leveraged with program funds to complete weatherization projects. Value includes average material and labor.	HOMES--4	PERSONS--8	\$ 17,717.00
NEIGHBOR HELPING NEIGHBOR provides emergency energy assistance up to \$300 for those not eligible for fuel assistance.	GRANTS--4		\$728.07
SECURITY DEPOSIT GUARENTEE PROGRAM provides a landlord a guarentee backed by state funds that the required security will be paid to him/her in the event of a default on the part of the tenant. Only very low income households are eligible for the program and the household pays a specified amount monthly to the agency until the amount of the security deposit is collected. That amount is then forwarded to the landlord and deposited into a savings account as prescribed by state law.	HOUSEHOLDS--1		\$600.00
GRAND TOTAL			\$301,644.07
INFORMATION AND REFERRAL --CAP provides utility, landlord/tenant, legal and health counseling as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked.			

Pembroke and Allenstown Old Home Day

SLOGAN: HANDS ACROSS THE WATER

THEME: “UNDER AND OVER THE SEA”

Saturday, August 22, 2015, Mother Nature supplied Pembroke and Allenstown with a beautiful summer day to celebrate Old Home Day. Pre-parade entertainment consisted of the returning Amoskeag Strummers on the Suncook Village Main St. reviewing stand. New this year was the Grace Capital Church Band at the Allenstown Town Hall Gazebo.

Due to the creative talent and tireless effort of numerous committee members and volunteers, the old portable field entertainment stage was transformed into the new Main St. reviewing stand as seen for the first time this year. A gigantic thanks to all who committed many hours to this project and to those who donated materials. The repurposed trailer, with its' new look, will be useful as a reviewing stand for many years to come.

As usual parade participants excelled in building their creations. The “Under and Over the Sea” theme was cleverly personified by floats depicting: docks, sand, water, fishing gear, lots of fish, “King Neptune” and even Mr. and Mrs. Santa Claus with a boat load of gifts for Christmas! Floats are judged by the Selectmen based on theme, originality, and creativity. It is always exciting to see what individuals, businesses and local groups come up with for ideas in their effort to accommodate each year’s theme. The OHD 2015 parade also consisted of town officials, Color Guard, Legionnaires, Scouts, Pembroke Town Hearse, Concord Coach, bands, clowns, antique and classic cars, jeeps, marchers, tractors, doodlebugs, fire trucks, hay wagon, stilt walker, dancers, cheerleaders, football and soccer players, non-profit organizations, and area businesses making this year’s parade magnificent.

New attractions at Memorial Field included the musical groups “Hickory Horned Devils”, “Rockin Daddios”, and juggler/illusionist, “Motion Man”. Back by popular demand were Irish music, religious, country, and rock and roll bands, Doodlebugs’ pulling competition, dunk tank, pony and hay wagon rides, critters and creatures, miniature horses, petting zoo, face painting, balloon artist, fun passes, foam demonstration, mini-golf, stilt walker, free door prize, Distracted Driving, Kid Care ID, Fatal Vision, inflatable rides, children’s games, crafts, food concessions, and a basketball tournament. A portion of the proceeds from the annual Jacob Kipp 3-on-3 Memorial Charitable Basketball Tournament was made to Breathe New Hampshire. The fabulous fireworks display at dusk sponsored by Associated Grocers of New England, a crowd pleaser, is a fabulous end to Pembroke and Allenstown Old Home Day’s festivities.

A HUGE THANKS for the generosity and loyalty of the OHD Committee, Towns of Pembroke and Allenstown, municipal officials, fire, police, ambulance, highway and recreation departments, local non-profit organizations, businesses, volunteers, participants, and sponsors who make OHD a reality. Hats off to GE Aviation volunteers for their incredible help setting up on Friday and to Civil Air Patrol for providing parking assistants on Saturday. Successful volunteerism is not solely based on the quantity but the quality of time. Many hours or just a few hours are much appreciated. The following are some ways you can become involved:

- Give new items or gift certificates to the OHD Raffle
- Volunteer members of your organization/business to promote products or services, participate in the parade
- Volunteer time at meetings, OHD Booth, Children’s Area, Set-Up, Clean-Up, Parking, or other areas
- Sponsor a mini golf hole
- Make a tax deductible cash donation to help offset OHD costs
- **This is a great opportunity for high school students to contribute to their community service obligation.**

Meetings are held the last Monday of the month (except May) at Pembroke Town Hall @ 6:30pm between February and September. Additional meetings occur in June, July, and every Monday in August. **All are welcome to attend.** Please consider becoming a part of a wonderful occasion with a devoted and faithful group of individuals by contacting Steve @ 340-1487. Check out the OHD website www.pembroke-allenstownoldhomeday.com and Facebook page Pembroke & Allenstown Old Home Day. Mark your calendars for this year’s Pembroke and Allenstown Old Home Day celebration, Saturday, August 27, 2016. Hope to see you there!

Respectfully submitted, Stephen L. Fowler, OHD Chairman

UNH Cooperative Extension Merrimack County 2015

How It Works IN MERRIMACK COUNTY

Merrimack County provides funding to UNH Cooperative Extension to serve its citizens, enhance their quality of life and improve local economies. In 2015, for every \$1.00 the county spent, UNH provided \$1.68 of statewide resources.

From October 2014 to September 2015, UNH Cooperative Extension served residents in all 27 towns in Merrimack County with diverse programming through 4-H, Nutrition Connections, Food & Agriculture, Community & Economic Development, Natural Resources, and Youth & Family.

Residents benefitted not only from the Merrimack County Cooperative Extension staff, but also from over 50 Cooperative Extension state and field specialists across the state.

Our mission

UNH Cooperative Extension (UNHCE), the public outreach arm of the University of New Hampshire, provides New Hampshire citizens with research-based education and information, enhancing their ability to make informed decisions that strengthen youth, families, and communities, sustain natural resources, and improve the economy.

In partnership with local residents and volunteers, UNHCE plans and conducts educational programs responsive to the specific needs of New Hampshire citizens.

Our work for Merrimack County

Merrimack County Extension staff brings the research and knowledge of the university to county residents through hands-on workshops, site visits, seminars, conferences, phone consultations, video-conferences, printed materials, online resources, email newsletters, correspondence courses, strategic partnerships, a statewide toll-free info line, and a comprehensive website. Our program areas include:

- **Food & Agriculture:** We support the county's agricultural industries, including producers of fruits, vegetables, ornamental plants, and livestock, through workshops and trainings, diagnostic services, applied research, and one-on-one consultations. This year, at least 1,700 Merrimack County citizens attend training in livestock management, crop production, safe food handling, pest management, agricultural marketing, pollinator protection, farm business management, landscaping for water quality protection, and more. Our team of specialists and volunteers also provide education and technical assistance to home gardeners and citizens through seminars, publications, and through our Education Center info line. This year, Education Center volunteers fielded 323 inquiries from Merrimack County residents, and the county's Master Gardeners contributed 1,068 volunteer hours, making direct contact with 1,443 local residents.
- **Natural Resources:** Managing and protecting New Hampshire's natural resources is critical to our environment, quality of life, and tourism industry, as well as for current and future economic opportunities. Our natural resources team provides research, education, and stewardship throughout the state with a "boots on the ground" approach, extending state-wide programs in forestry and wildlife, natural resource development, land and water conservation, and marine fisheries. This year, over 640 Merrimack County residents received one-on-one education from woodlot visits, telephone calls, and e-mail correspondence.

An additional 1,200 County residents participated in many educational events: emerald ash borer educational workshops, geospatial technology training (GIS), N.H. Maple, N.H. Land Trust

Coalition work, Saving Special Places Land Conservation conference, Speaking for Wildlife talks, Stewardship Network, woodlot visits, and forest management services. Volunteers from the N.H. Coverts project and the Natural Resource Stewards program contributed almost 4,600 hours conserving and managing natural resources in Merrimack County.

- **Community & Economic Development:** Our Community and Economic Development team (CED) provides research-based education and assistance to individuals, families, businesses, and communities to help identify opportunities to enhance their competitive advantage, build upon their assets, and create conditions that foster local and regional economic growth. Merrimack County residents participated in the following programs: Agriculture and Natural Resource Business Institute courses, All Walks of Life Forum, broadband training and technical assistance, Community Profiles (Dunbarton), Franklin for a Lifetime, Planning for an Aging Population (Franklin Aging in Place), Marketing Forest Products workshops, Selling at Farmers Markets, and town planning facilitation and technical support.
- **Youth & Family:** Preparing youth to become caring and productive citizens is critical to New Hampshire's future. The research-based education and information we provide enhances the leadership and decision-making skills of New Hampshire's youth and strengthens families. We provide educational resources for parents and families through innovative programs such as Youth Mental Health First Aid Training, as well as, through creative delivery methods, including web-based outreach, e-newsletters and train-the-trainer programs. Merrimack County youth and volunteers participated in many 4-H youth development programs, including State and County Activities Days, Eastern States Exposition activities and competition, Teen Conference, county and state animal science shows, Barry Conservation Camp, Hopkinton State Fair, volunteer screening and training, and youth leadership/youth voice workshops. Merrimack County residents also participated in afterschool professional workshops, farm to school days, military family events and camps, and the Nutrition Connections programs for limited resource adults, families, refugees, and youth.

UNH Cooperative Extension trained and supported more than 4,270 volunteers statewide who then contributed 148,089 hours of their time, providing a value of \$3.4 million in 2015. In Merrimack County, 487 volunteers gave 21,407 hours, extending the reach of our programs as 4-H leaders, master gardeners, wildlife coverts, community tree stewards, water quality monitors, marine docents, and others.

Our state-wide Education Center and toll-free info line staffed by volunteers fielded 580 inquiries from Merrimack County residents alone, out of 7,741 calls, emails, and social media inquiries statewide. Twenty-six (26) Master Gardeners from Merrimack County helped extend Extension's work, volunteering 1,068 hours and making direct contact with 1,443 local residents. The Education Center and Information Line is open Monday – Friday, from 9 am to 2 pm.

In 2016, UNH Cooperative Extension will be joining the rest of the university in celebration of UNH's 150th Anniversary.

We would like to take this opportunity to thank the 13 community members from all over Merrimack County who serve on our Advisory Council:

THE STATE OF NEW HAMPSHIRE
TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF ALLENSTOWN, QUALIFIED TO
VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the St. John Parish Hall in said District on the 31st day of January, 2015 at 9:00 o'clock in the forenoon to deliberate on the warrant article below. This session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended; and, (c) no warrant article shall be amended to eliminate the subject matter of the article. An amendment that changes the dollar amount of an appropriation in a warrant article shall not be deemed to violate this provision.

Voting on the warrant articles will be conducted by official ballot at the second session scheduled for March 10, 2015 at the St. John Baptist Parish Hall from 8:00 A.M. to 7 P.M.

The school meeting was called to order on January 31, 2015 at 9:00 a.m. by Moderator Dennis Fowler.

The meeting began by reciting the Pledge of Allegiance.

The Moderator introduced the School Board.

The Moderator discussed the basic rules for the meeting.

There were 95 people in attendance.

1. Shall the Allenstown School District vote to raise and appropriate as an operating budget, not including appropriations by special warrant article and other operations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$9,499,224? Should this article be defeated, the operating budget shall be \$9,505,993 which is the same as last year, with certain adjustments required by previous action of the Allenstown School District, or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

*School Board Recommends Approval
Budget Committee Recommends Approval*

Tom Irzyk conducted a presentation on the school budget. He stated the current budget reflected a decrease of 2.64%. There was an increase of the contribution to the SAU. He said the special education placements were down and there was a decrease in the number of positions. He said the state revenues continue to decrease each year. We are losing funding from the State. He mentioned there was a Senate Bill being introduced that could further pass more funding down to local taxpayers.

David Roy asked about current enrollment. The response was that enrollment in the schools was decreasing. The enrollment is currently below 700 total students. Tom Irzyk said there will be some class size changes and restructuring, and a decrease in teachers and staff.

Sandra McKenney asked about the attendance cost per student. It is approximately \$11,629 per student at P.A. and \$16,275 per student at the Elementary and Middle Schools.

Larry Anderson stated he created a spreadsheet with the numbers of students in each grade and came up with a plan for an approximate \$369,980 in savings. He stated his figures were not exact since he did not have the benefits information for his calculations.

Tom Irzyk stated they were currently addressing the class sizes and shifting staff. They were not replacing a retiring teacher and were incorporating health in the physical education class next year. There will be reductions in music and art as well. He said they were including some of Larry's suggestions in their reduction plan. Tom stated the reductions totaled approximately a quarter of a million dollars..

Article 1 will appear on the ballot as read.

2. To transact other business that may legally come before said meeting.

No discussion.

A motion was made by Armand Verville and seconded by Larry Anderson to recess the meeting until March 10, 2015. Voted and passed. Meeting recessed at 9:30 am.

Independent Auditors Report

The School Board
Allenstown School District
Allenstown, New Hampshire

Report on the Financial Statements

I have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Allenstown School District as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions. In my opinion, the financial statements referred to previously

Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Allenstown School District as of June 30, 2015, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison and long term debt information on pages 3 through 4 and page 24 and 25 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to my enquires, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Allenstown School District basic financial statements. The introductory section, combining and individual non major fund financial statements, and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by United States Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basis financial statements.

The combining and individual non-major fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from the related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information have been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the combining and individual non-major fund financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subject to the auditing procedures applied in the audit of the basis financial statements and, accordingly, I do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated January 26, 2016, on my consideration of the Allenstown School District's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Allenstown School District's internal control over financial reporting and compliance.

Respectfully Submitted,

Brent W. Washburn, CPA

Allenstown Elementary School

Based on our continued core values of respect, responsibility, and integrity, AES continues to grow! We are proud to announce that this past year we opened our full-day Kindergarten program, along with our 4 year old, grant-funded preschool program. Our two new programs will provide a strong foundation for both academic and social competence. We presented three focus areas to the district to start the year: 1) developing a comprehensive Response to Intervention program, 2) implementing our Teacher Effectiveness Plan using the Marzano Teacher Evaluation Model, and 3) starting to plan the implementation of a competency-based approach to teaching and learning.

This past year, we dug deeper into the Lucy Calkins Writing Program, which featured a conference not only for AES staff, but for educators around New Hampshire. In mathematics, we are in our third year of the mathematics program and are looking into how to better respond to students who do not immediately acquire the skills. As we look ahead, the New Hampshire Department of Education is requiring all districts to have a competency-based approach to teaching and learning. This past summer, Allenstown was selected for the third cohort of schools to receive support from the New Hampshire Department of Education to design and implement a competency-based approach.

This past year also saw the first implementation of the new statewide assessment, Smarter Balanced Assessment. The new computer-adaptive assessment was taken during late March by our 3rd and 4th graders. We had a seamless implementation thanks to our staff. After the second assessment this spring, we will be able to start looking more closely at data around student learning.

AES continues to offer Enrichment Clubs and has increased the offerings to students. Aside from Art and Music, we are also providing enrichment opportunities in the form of a Tech Club (technology/coding) and Green Team (environmental friendly). Last year, our fourth grade, SCA, and Cody Godin's Eagle Scout project built our school garden, where we grew vegetables that made it into our cafeteria. This year, our Green Team is taking over the care of our school garden and has also started a recycling program in the cafeteria.

At AES, we continue to create a strong partnership with the community. Along with our Welcome Back BBQ, Veteran's Day breakfast, we have started a new partnership with TD Bank. TD Bank will be working with our 2nd grade on banking, savings, and money. This year also saw our second year of participation in the Parks and Recreation sponsored Holiday Night of Lights. AES saw more than 100 people walk through the doors on December 12th to bowl and have a snack. We continued our collaborative partnership with the New Hampshire Higher Education Assistance Foundation. We thank them for assisting us to promote higher education and donating items towards our Student of the Week program and providing an assembly about saving money.

Our school building and grounds continued to receive updates over the past year, most notably with a new, electronic marquis board to improve our communication with the community. We have also updated other parts of the playground with resurfacing the paved area and adding in a new basketball hoop. During the fall, we were able to replace 25 classroom windows that will help provide better climate efficiency. Inside the building, we have also made a complete transition to Chromebooks, along with interactive whiteboards and document cameras in each classroom.

It is a privilege to work at the Allenstown Elementary School. I am proud of the values we instill into our students each day along with the commitment of our staff, and the support of both our families and community partnerships. We will continue to provide the best educational experience for our students, as well as our community, in the most cost-effective manner.

Respectfully Submitted,

Anthony Blinn,
Principal, Allenstown Elementary School

Armand R. Dupont Middle School

The Armand R. Dupont Middle School administration has stayed the same this year with Mark Dangora as the building Principal and Kathleen Murphy as our School District Special Education Coordinator. It is with great enthusiasm that I continue to serve as the Armand R. Dupont Middle School Principal. This year is my third year as an administrator within the Allenstown School District and I am excited to work with such a talented staff and hardworking student population.

I look forward to continued work with the staff to build a positive culture and climate within the building and the community.

Several staff members were hired over the summer/fall including Amanda Heissler to teach Art at both schools, Matt Polzin, our new 5th/6th Mathematics teacher, and Gwen Pham, our Armand R. Dupont Middle School secretary. Rounding out our new hires this year are Chris Pappalardo, our Student Resource Officer and Mike Peterson, our afternoon custodian.

Along with the new staff, ARD added the fifth grade and forty-three more students. This has brought the school population to a total of 169 students.

It has been a busy school year thus far with many new initiatives and activities for teachers as well as students. We sent students to locations from Boston, Massachusetts to Concord, New Hampshire on field trips and invited presenters to come to our schools to share their ideas and skills with students here in Allenstown. The TIGER Theater Program from Plymouth University teaches students at both schools about anti-bullying strategies and other social issues. The program is part of our ongoing efforts to teach students about respect, integrity, and responsibility. Teachers continue this message with classroom activities aimed at teaching students how to improve their social relationships.

In October, the New Hampshire Juvenile Diversion Program came and spoke with ARD students about their various programs. Students learned about the resources available to families and about the consequences of their actions as they grow to adulthood. Last year we created a new program at ARD called the Merit Club, which gives special privileges to students with excellent behavior. Students must apply to be members of this organization and monthly activities provide a reward for continued outstanding behavior. Our School Resource Officer teaches the DARE Program to all of our 5th and 7th grade students. Students attend a 10-week class which teaches them to make well thought out choices and to resist negative peer pressure as they become teens and young adults.

We initiated collaboration with the teachers and administrators in Pembroke so our students will be better prepared to meet the high expectations at Pembroke Academy. We visited the high school to see their programs. The administrators of both towns attended meetings to plan some joint programs to benefit all of our students. We are confident that this will strengthen the academic programs in Allenstown and provide more opportunities for our students.

We are excited to let you know that the Armand R Dupont Middle School has joined an Instructional Rounds cohort with Laconia, New Hampshire. This Harvard University training looks at helping schools gain constructive feedback, skills, and strategies in regards to practice and instruction within the classroom. We joined forces with other school professionals giving our middle school an exciting opportunity to improve classroom instruction. Also, the middle school has been accepted as a PACE (Performance Assessment Competency Education) Tier 3 school. With this exciting acceptance we will have support from the New Hampshire Department of Education in implementing competency-based instruction within our District.

We continue to examine and evaluate the many initiatives at our schools and are working to provide the best opportunities and educational programs for our students within the limits of what is available and what is cost effective. The staff at both schools is committed to the families of Allenstown and to what our students need to be successful now and in the future. I feel very fortunate to be spending this year working with such a wonderful and hard working group of professionals.

Respectfully Submitted,

Mark Paul Dangora
Armand R. Dupont School Principal

2015
SUMMARY REPORT
SPECIAL EDUCATION EXPENDITURES/REVENUES

In accordance with RSA 32:11-a, the following summary represents actual special education expenditures and offsetting revenues for the previous two fiscal years.

	<u>FY 2013/14</u>	<u>FY 2014/15</u>
Actual Expenditures	\$2,844,500	\$2,762,232
Actual Revenues		
♦ Catastrophic Aid	\$142,615	\$113,972
♦ Medicaid	\$116,118	\$103,067
♦ Federal Grant	\$125,453	\$126,284
♦ Tuition	-0-	-0-
Total Offsetting Revenues	\$384,186	\$343,323

- Notes:
- Actual expenditures represent a total of all designated special education budget categories. Services provided through regular education categories cannot be accurately segregated.
 - Adequate Education Aid paid in both fiscal years above contained various weighted stipends for those students identified as having special needs. These cannot be accurately identified as a separate revenue category.

SAU #53 Serving the Districts of Allenstown, Chichester, Deerfield, Epsom, and Pembroke

Report of the Superintendents

"Education is the most powerful weapon which you can use to change the world." Nelson Mandela

We are honored to serve as your Co-Superintendents and continue to enjoy working as a team to provide the best possible education for each student in all of our Districts. Although Ms. Sherman has primary responsibility for the Pembroke and Deerfield Districts and Dr. Paludi has primary responsibility for the Allenstown, Chichester, and Epsom Districts, we enjoy interacting with the faculty and staff from each District throughout the year. We are constantly impressed with the quality of programs offered to the students in each of our Districts. SAU #53 is fortunate to have dedicated administrators, teachers, and support staff who strive every day to provide an outstanding education to prepare students to be college and career ready.

The Districts in SAU #53 continue to struggle with being fiscally responsible while providing quality educational experiences for all of our students. This fall we have been faced with the challenges of managing our budgets while continuing to be concerned about the impact of our budgets on our community members. We have all devoted numerous hours to prioritizing adjustments to budgets so that any decisions made have the least direct impact on students.

Our SAU office has had several changes to our staff. We were pleased to welcome Mrs. Amber Wheeler as our Business Administrator and Mrs. Dalisa Greenleaf as Assistant to the Business Administrator. Our office has enjoyed getting to know both of them and have valued their expertise and prior experiences. We continue to develop processes and procedures that allow us to increase our efficiency and effectiveness while providing outstanding service to all of our five Districts.

Several of our Districts have joined forces with several other districts in New Hampshire to participate in an Instructional Rounds Program that is designed to provide feedback to schools and teachers regarding their current educational strategies and practices. The Instructional Rounds process has been beneficial in focusing our schools on best practices and reflection designed to enhance teaching and learning.

Our SAU #53 Literacy Data Team and Numeracy Data Team, consisting of members from all five Districts, have continued working collaboratively to enhance curriculum, instruction, and assessment throughout the SAU. Our focus this year has been on the analysis of data to drive instruction in all of our schools. We have been able to analyze STAR data by individual school, district, and across the SAU. We have begun the analysis of the Smarter Balanced Assessment data that was released in November. The Smarter Balanced Assessment was administered for the first time in spring 2015. This baseline data will assist us in evaluating our programs and instructional practices.

Our schools were fortunate to have a visit and safety assessment by a representative from the Department of Homeland Security. As a result of those assessments, recommendations were made to assist schools in providing the safest possible environment for students and staff. Many of the recommendations were put into place and will continue to be implemented throughout the year.

SAU #53 continues to have supportive communities and for that we are grateful. We appreciate the continued support of our schools and students. In our role as Co-Superintendents of Schools, one of our goals is for each community to increase its awareness and involvement in all of our school communities. Please feel free to contact our office if you have questions, need information, or want to offer suggestions. We extend a personal invitation to everyone to join us at any time to discuss the SAU and the Districts we serve to learn more about the outstanding education being provided to the students throughout the SAU. We welcome your input as we truly believe that "it takes a village".

Respectfully submitted,

*Dr. Gail E. Paludi
Ms. Patty Sherman
Co-Superintendents of Schools*

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF ALLENSTOWN, QUALIFIED TO
VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the St. John Baptist Parish Hall in said District on the 30th day of January, 2016 at 9:00 o'clock in the forenoon to deliberate on the warrant articles below. This session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended; and, (c) no warrant article shall be amended to eliminate the subject matter of the article. An amendment that changes the dollar amount of an appropriation in a warrant article shall not be deemed to violate this provision.

Voting on the warrant article will be conducted by official ballot at the second session scheduled for March 8, 2016 at the St. John Baptist Parish Hall from 8:00 A.M. to 7 P.M.

1. Shall the Allenstown School District vote to raise and appropriate as an operating budget, not including appropriations by special warrant article and other operations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$9,694,498? Should this article be defeated, the operating budget shall be \$9,748,006 which is the same as last year, with certain adjustments required by previous action of the Allenstown School District, or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

School Board Recommends Approval
Budget Committee Recommends Approval

[Note: Warrant Article #1 (operating budget article) does not include Warrant Article #2.]

2. Shall the Allenstown School District vote to approve the cost items set forth in the collective bargaining agreement reached between the Allenstown School Board and the Allenstown Paraprofessional Association for the 2016/17 fiscal year which calls for the following increases in salaries and benefits:

Year 2016/17	\$24,982
--------------	----------

And further raise and appropriate the sum of \$24,982 for the 2016/17 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels?

School Board Recommends Approval
Budget Committee Recommends Approval

3. Shall the Allenstown School District vote to authorize the school board to convey to Robert St. Germain and Elizabeth St. Germain, without covenants of title, a parcel of surplus land (a portion of Tax Map 112 Lot 224) at Ferry Street, containing approximately 2,392 square feet, pursuant to a Lot Line Adjustment approved by the Allenstown Planning Board, and further to raise and appropriate the sum of zero dollars (\$0.00) for the costs associated with this transaction. The St. Germain's have paid for all legal fees and costs associated with this transaction.

School Board Recommends Approval

4. Shall the Allenstown School District vote to authorize the School Board to convey to Benoit Demers and Marielle Demers, without covenants of title, a parcel of surplus land at Houle Avenue, containing approximately 2,541 square feet, being a portion of Tax Map 112, Lot 237, pursuant to a Lot Line Adjustment to be approved by the Allenstown Planning Board, and further to raise and appropriate the sum of zero dollars (\$0.00) for the costs associated with this transaction. The Demers' have paid for all legal fees and costs associated with this transaction.

School Board Recommends Approval

5. Shall the school district accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the school board to apply for, accept and expend, without further action by the school district, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

School Board Recommends Approval

Budget Committee Recommends Approval

6. Shall the School District authorize the School Board to accept on behalf of the District, without further action by the voters, gifts, legacies and devises of real or personal property which may become available to the District during the fiscal year?

School Board Recommends Approval

7. To transact other business that may legally come before said meeting.

Given under our hands and seal this 22nd day of January, 2016

DEFAULT BUDGET OF THE SCHOOL

Default Budget for the Fiscal Year from **July 1, 2016 to June 30, 2017**

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on:

January 27, 2016

Instructions

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-26 or MS-27) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.
